## SCOPE OF ADDENDUM

**Questions and Answers** (duplicate questions have been combined)

Q – Is there an incumbent vendor and/or a current consultant performing the duties or any of the three positions? If yes, will they be submitted for consideration?

A – No. It should also be noted that there is only one position being sought via this RFO; not three positions as stated in this question.

Q – Will phone and/or video interviews be acceptable for out of state candidates or does it have to be in person?

A – The RFO requires face-to-face onsite interviews for any candidates who are interviewed.

Q – Regarding the requirement of 4 6 month engagements, would less, longer term engagements meet this requirement? For example, 3 x 8 month engagements, or 2 x 1-year plus engagements meet the required skill?

A – No; the RFO requires 4 or more engagements lasting more than 6 months each in a QA Analyst role.

Q – What is the maximum billing rate for the candidate that can be submitted?

A – The maximum hourly billing rate for each vendor for each SITE category was determined at the time that each respective vendor proposed its maximum hourly rate(s) when applying to become a part of the SITE program. Please check your records to determine your maximum hourly rate for the Quality Assurance category under the SITE program, or contact the SITE program directly to inquire.
