Original Posting Due Date, Time: 7/15/2016, 2:00pm

Revised Due Date, Time: N/A

Title: COMS Modernization

## SCOPE OF ADDENDUM

The following are questions and answers to the RFO:

Q 1. Will the development team be using an Agile development methodology for any of the module rewrites? If not, what methodology will be used?

A 1. *We currently aren't using an Agile process. We consider our methodology to be a business-focused iterative process.*

Q 2. Do you have an incumbent in mind for one or both of the positions? A 2. *No*

Q 3. Can you please provide more insight into the expected start date? Page 1 of the RFO states, "This engagement is expected to last at least two years, with a start date in July 2016", but the Process Schedule alludes to a decision being made by 8/8/2016. Would it be fair to expect a start date around 8/15/2016?

A 3. *We expect a start date between 8/15 and 8/29.*

This addendum shall become part of the RFO and should be returned with, or acknowledged in, the response to the RFO.
