
RFO Number RFO0137
Requesting Entity Name Office of MN.IT Services
Request Title COMS Modernization
Request Description MN.IT @ Corrections seeks two analysts with the necessary skill set to document and improve the business requirements for the Correctional Operations Management System (COMS).
COMS is a system of over 70 modules which collects and tracks data about the 16,000+ offenders that are committed to the Commissioner of Corrections. COMS is critical to the department's operations, every business unit in the agency uses this system on a daily basis for their own unique and complex business processes. Additionally, data from COMS is shared with other state agencies, law enforcement, counties, federal government and the public.
