Select Five Number	SF0081
Requesting Entity Name	Office of MN.IT Services
Request Title	TFS Upgrade
Request Description	Work with MN.IT@DEED middleware and development groups to upgrade DEED s current TFS infrastructure and migrate all current content. The overarching goal of this project is to create a TFS environment that will allow MN.IT@DEED staff to maintain, update and replicate with minimal external support. Customization of the TFS environment should be minimal. Services to include the following high level tasks: 1. Work with MN.IT@DEED middleware group to plan and design the upgrade and migration. 2. Work with MN.IT@DEED middleware group to install and configure TFS 2015 (with SQL Server 2014 and SharePoint foundation). 3. Work with MN.IT@DEED middleware group to install and configure TFS 2015 build servers. 4. Create and configure builds for the project types used by the MN.IT@DEED utilizing a TFS 2015 build process that will be clearly understood and replicable for MN.IT@DEED middleware and development groups. 5. Provide coaching during the build creation to the MN.IT@DEED development group to facilitate subsequent upgrades and migrations that can be accomplished primarily by the MN.IT@DEED development group. 6. Work with MN.IT@DEED development group to migrate projects to the latest version of the TFS Scrum template. 7. Work with MN.IT@DEED middleware and development group to migrate current content. 8. Create a process for upgrade and migration that will be clearly understood and replicable for MN.IT@DEED middleware and development group members 9. Provide coaching during the creation and migration process to MN.IT@DEED middleware group and provide additional training as needed to facilitate subsequent upgrades and migrations that can be accomplished primarily by the MN.IT@DEED middleware group 10. Provide clear and concise documentation of the upgrade, migration and build processes to assure that subsequent upgrades and migrations can be accomplished primarily by the MN.IT@DEED middleware and development groups.

#### Contract(s) Awarded

Contract ID      108986

#### Entity Type

#### State Agency

Information on contracts executed by an entity type of State Agency can be found using the contract ID in the MN Open CheckBook under TransparencyMN located at <http://mn.gov/mmb/transparency-mn/>.
