

Select Five Number SF0102  
Requesting Entity Name Office of MN.IT Services  
Request Title Minnesota Public Health Data Access  
Request Description Perform usability testing of the Minnesota Public Health Data Tracking Portal (<https://apps.health.state.mn.us/mndata/>) that will focus on the following elements: \*Navigation; \*Interactions; \*Search, \*Presentation and \*Content. Project deliverables: The contractor will recruit twelve (12) participants for this testing. The contractor will produce a final report which will inform the MN Public Health Tracking Program on future presentation of content and data, technical modifications and new features, which will be an important part of the ongoing successful implementation of the Center for Disease Control (CDC) grant goals and objectives, and provide training.

Contract(s) Awarded
