Select Five Number SF0111  
Requesting Entity Name Office of MN.IT Services  
Request Title e-Licensing Quality Assurance  
Request Description This resource will work on the state's enterprise eLicensing project. The system is being implemented using salesforce.com. The system will allow citizens to conduct online transactions for required occupational and business licenses. A common statewide licensing solution reduces the costs and efforts needed to create licensing solutions for individual agencies. The Quality Assurance Analyst will be doing the following work on the eLicensing project: Develop and document the process to maintain test data sets; Establish and Maintain test data sets; Develop New Test Scripts; Develop Regression Test Scripts; Execute the Test Scripts; Conduct Gap Analysis of Testing Needs; Work in an Agile Scrum team environment

Contract(s) Awarded

Contract ID 114164

Entity Type State Agency

Information on contracts executed by an entity type of State Agency can be found using the contract ID in the MN Open CheckBook under TransparencyMN located at <http://mn.gov/mmb/transparency-mn/>.

For information on contracts executed by an entity type other than State Agency you will need to contact that entity directly using the contact information that was provided in the Select Five.
