

ATTACHMENT C: COST DETAIL

Responders must submit Attachment C "Cost Detail" form to submit their Cost Proposal. The rate(s) identified in the Cost Proposal must include all costs, including but not limited to: travel expenses, mass mailings, fees, commissions, compensation, equipment and other charges.

Identify the level of the State's participation in the contract and details of cost allowances for this participation. The State does not make regular payments based solely upon the passage of time; it only pays for services performed or work delivered after it is accomplished.

Submit the Attachment C: Cost Proposal as a separate document(s) from your technical response for all copies of the Proposal. Do not include any cost information in the Technical Proposal part of the response. The Proposal must be open for acceptance until a contract is executed, the Solicitation is cancelled, or 180 days after the due date and time of the Solicitation, whichever comes first.
