

In considering the financial capacity of a local unit of government when determining the grant award (Minn. Stat. § 216C.377, subdivision 2), the Department of Commerce proposes the use of a tiered system, assessed by the local unit of government's Adjusted Net Tax Capacity /Population determined with data from the MN Department of Revenue. The following are the local governments with some of their jurisdiction serviced by Xcel electric.

Cities/Townships				
City/Township	County	Certified ANTC	Population	ANTC / Pop
Afton	Washington	\$ 10,846,206	2983	\$ 3,245
