

Defining Affordability - Survey to PDAAC

Thank you for taking some time to help us define "affordability" from the different perspectives on the PDAAC.

SURVEY QUESTIONS

Name

Your Answer

PDAAC role (e.g. patient advocate, Pharmacy Benefit Manager, Wholesaler, Manufacturer, etc.)

Your Answer

How would you define "affordability" from the perspective of your group of stakeholders?

Your Answer

From the perspective of your group of stakeholders, what costs to either medication purchases or operation of business should the PDAB consider in its work?

Your Answer

From the perspective of your group of stakeholders, what value, return on investment, and/or benefit should the PDAB consider in its charges?

Your Answer

What, if any, concerns related to affordability should the PDAB be aware of as it undertakes its work?

Your Answer

What, if any, additional considerations related to affordability should the PDAB be aware of as it plans and implements its charges?

Your Answer
