Important Information for Report Year 2025

- If property is interest-bearing, holders must report the property to the state as interest bearing, including the rate of interest earned at the time the property is received by the Department
- If property is increment-earning, holders must report the increments with sufficient detail to identify the principal property, the owner of the principal property, and any other information needed to connect the owner to the increment(s)
- Report submissions via our [website](#) is strongly recommended and encouraged.
- The State of Minnesota reporting website no longer accepts .HDE files for unclaimed property reports. Please see the report submission instructions for details.
- Report submissions via paper forms or diskette will be rejected
- Safe deposit box contents must be mailed in a separate parcel from any report components (remittance checks, report-related documentation, report media, etc.)
- Holders may request an extension by completing the Holder Request for Extension of Due Date
- Holders may request reimbursement for previously reported property by completing the Holder Request for Reimbursement
- Holders must contact the Unclaimed Property Program to report unclaimed property prior to the required date if the Holder has reason to believe the property will be reportable in the future no later than 30 days prior to the reporting deadline

What is Unclaimed Property and Who Needs to Report?

Parent organizations have a duty to ensure that unclaimed property held by their subsidiaries is reported. Principals have a duty to see that unclaimed property in the hands of their agents (including stock transfer, dividend, and payroll disbursing agents) is reported. Receivers and liquidating trustees have a duty to report for entities in receivership or liquidation.

Common holders of reportable property include, but are not limited to:

- financial institutions
- insurance companies
- oil and gas companies
- hospitals
- clinics
- state and local government agencies
- manufacturers
- brokers
- real estate agents
- retailers

If you are holding unclaimed property belonging to Minnesota residents, you must file a report with the Minnesota Unclaimed Property Program, even if you are not registered or licensed to do business in Minnesota.

Businesses and other organizations are required to report and remit unclaimed property by November 1st. Life Insurance companies and other fraternal organizations are required to report and remit unclaimed property by October 1st.

Unclaimed property refers to various types of intangible property that has been abandoned for a specified period of time. Examples include, but are not limited to:

- savings and checking accounts
- uncashed checks
- securities
- dividends
- insurance refunds and wages

The only tangible property that is reported is the contents of safe deposit boxes; real estate and other tangible property are NOT reportable to the State of Minnesota but may be reported to local municipalities. According to the Minnesota Uniform Disposition of Unclaimed Property Act, all intangible property and safe deposit boxes must be reported to the Minnesota Department of Commerce.

Anyone who willfully fails to report is guilty of a misdemeanor. Anyone who refuses to pay or deliver abandoned property is guilty of a gross misdemeanor. Anyone failing to pay or deliver property by the reporting due date may be charged interest at the rate of 12% per year on the value of the unclaimed property. In addition, the Minnesota Department of Commerce has broader penalties that may apply.

General Guidance on Interest-Bearing and Increment-Earning Property

Minnesota's Unclaimed Property Act was amended in 2019. Property owners are now entitled to interest and increments on abandoned property. Pursuant to the updated Act, owners of non-money property "entitled to receive from the commissioner income or gain realized or accrued on the property before the property is sold." Minnesota Statutes § 345.451. Further, if the property was interest-bearing, owners are entitled to interest, which "begins to accrue when the property is delivered to the commissioner." *Id.*

Thus, Minnesota law requires all holder reports to include "a description of the property, including whether the property is interest-bearing, and, if so, the rate of interest." Minnesota Statutes § 345.41. Holders must also report increments (e.g., dividends, capital gains, etc.) earned on abandoned property in sufficient detail that the increments can be properly attributed and paid to the owner, both at the time a claim is made and when future increments are reported.

Guidance on interest-bearing property

If property is interest-bearing, holders must report the property to the state as interest bearing, including the rate of interest earned at the time the property is received by the Department.

Whether property is interest-bearing depends on the terms and conditions agreed upon between the holder and owner. Interest-bearing property includes, but is not limited to:

- Checking accounts
- Savings accounts
- Certificates of deposit

Holders may only report previously interest-bearing property as non-interest-bearing property if the holder has a contractual or similar legal right to stop the accrual of interest. Pending escheatment is not, in itself, a valid reason to stop the accrual of interest. For example, interest-bearing property transferred into a non-interest-bearing omnibus account for the purpose of escheatment must be reported as interest-bearing at the rate of interest it accrued prior to transfer to the omnibus account.

Guidance on other increment-earning property

If property is increment-earning, holders must report the increments with sufficient detail to identify the principal property, the owner of the principal property, and any other information needed to connect the owner to the increment(s).

Whether property is increment-earning depends on the terms and conditions agreed upon between the holder and owner. Increment-earning property includes, but is not limited to:

- Dividends
- Capital gains
- Interest and principal on bonds

Determine Property to be Reported

The chart below outlines the various dates by which property must be reported and remitted, according to dormancy period. Please see the NAUPA Standard Property Codes for all property codes and their respective dormancy periods.

ALL unclaimed property, regardless of amount, must be reported to the Minnesota Department of Commerce. Minnesota does not have a minimum reportable amount, as follows:

Reporting Exemptions and Exceptions

Gift Cards and Gift Certificates

Gift certificates, gift cards, or layaway accounts issued or maintained by any person in the business of selling tangible property or services at retail are considered exempt. Therefore, as an example, a gift card issued by a retail organization would most likely meet this exemption as it is in the business of selling tangible property at retail. A bank who issues a gift card will most likely not meet this exemption depending upon the nature of the card as it is not in the business of selling tangible property at retail. Please see [Minnesota Statute 325G.53](#) for more information on gift cards.

Cooperative Property

Capital credits of a cooperative are technically not exempt; however, a cooperative may choose an alternate procedure to distribute property as defined in [Minnesota Statute 308A.711](#). In the event that an alternate procedure to distribute property is not employed, the property is reportable to the State as unclaimed property after 7 years.

Negative Reporting

Minnesota requires a holder to file a report even if there is no unclaimed property to submit.

Holders must file a report of zero property (negative report) if:

- you are an entity located or incorporated in Minnesota, and
- you are holding NO unclaimed property, or
- you receive a request from our office requesting a report of zero property (negative report)

If the above conditions do not apply, you are not required to submit a report of zero property (negative report).

To file a negative report, please visit our [website](#).

Attempt to Locate the Owners

Minnesota statutes [345.32 and 345.41\(e\)](#) require Holders to comply with all due diligence efforts before reporting. Not more than 120 days before filing a report, holders must send written notice to the presumed owner at the owner's last known address if:

- The Holder has in its records an address for the presumed owner that the Holder's records do not disclose to be inaccurate; and
- The claim of the apparent owner is not barred by the statute of limitations; and
- The property has a value of \$100 or more

If the conditions above do not apply, you are not required to perform due diligence efforts.

Performing due diligence efforts provides an opportunity for the Holder to re-establish contact with the owner and avoid escheatment by returning the property. If it is found that an owner for which we have received property is still residing at the same address, or doing business at the same address reported by you as a Holder, and there is evidence that the due diligence requirement was not adhered to, you may be considered out of compliance with state law and may be subject to penalties.

You must allow the presumed owner at least 30 days to respond to your written notice before considering the property formally unclaimed. Written notification to the presumed owner must be sent based upon the table below:

Prepare and Complete Report

NOTE: As of July 1st, 2017, the Minnesota Department of Commerce Unclaimed Property Program is no longer accepting paper forms for reporting unclaimed property.

Online or electronic submissions via CD are required.

Reports submitted via paper forms or diskette will be rejected.

Please see the Report Submission Instructions for using the [website](#) to submit your property.

Aggregate Reporting

Minnesota allows Holders to report in aggregate, meaning you may combine individual items under \$100 according to property type, and provide a single total for each type. Please utilize Owner Type "Aggregate" only when reporting properties in aggregate. Claims initiated on properties reported in an aggregate frequently require further assistance from the Holder to prove rightful ownership.

Extension Requests

If you find yourself unable to meet the reporting deadline, Holders have the opportunity to file for an extension, no later than 30 days prior to the reporting deadline. Holders must provide, in detail, the reason for the extension when making their request and measures being taken to ensure they meet the extension deadline.

Please see the Holder Request for Extension of Due Date to request your extension.

Reciprocal Reporting

If you are located in Minnesota and have a limited number (less than 5) of owners to report for another State, you may report unclaimed funds for each of those States, however, you should be aware that other State's reporting requirements may differ from Minnesota, so it is generally in your best interest to report directly to the State based on last known address of the apparent owner. If you choose to report another State's property to Minnesota, please use Minnesota reporting forms and report and remittance dates. The law for each State determines what funds are reportable, the aggregate value, and which abandonment period applies. Property reported in the aggregate should be grouped by State. Please inform those states if you intend to use this option. Any questions regarding these agreements, types of property and abandonment periods can be directed to the Minnesota Unclaimed Property Unit or the Unclaimed Property Office in any of States named.

Reporting Securities

In order to maintain compliance, securities reported to our office must be transferred into the State of Minnesota's custodial account.

If you believe the shares cannot be delivered to the State's custodial account, please contact our office directly for additional instructions. It is essential that the reported securities match what is remitted to our office. Confirmation of transfer must accompany the report in order for it to be complete. If a book entry account exists to facilitate the delivery of remitted shares, telephone redemption rights must be established with our office when created. Where such an account already exists, contact our office in order to establish telephone redemption rights.

Please see the Delivery Instructions for Principal Custody Solutions for full delivery instructions.

NOTE: These instructions are for securities transfer ONLY. Do not send remittance payments to this account.

Reporting Safe Deposit Box Contents

If you are sending safe deposit box contents, please ensure your report of unclaimed property is sent in a separate envelope via the courier of your choice. Please do not put your report in the same box as your safe deposit box contents.

Please submit all safe deposit box items to the following address:

Minnesota Department of Commerce
Unclaimed Property Program
85 7th Place East, Suite 280
Saint Paul, MN 55101

Submit Your Report and Remit Funds

NOTE: Reports submitted via paper forms or diskette will be rejected. Reports must be received in the standard NAUPA file format.

Submission Method	Filing Requirements
CD	<ul style="list-style-type: none">• CD containing your report file in the required NAUPA .txt, .hrs., or .rpt format• Any Verification form or checklist created by the software program utilized to create your file, if applicable• Remittance check, made payable to the Minnesota Department of Commerce
Online	<ul style="list-style-type: none">• Submission confirmation page• Remittance check, made payable to the Minnesota Department of Commerce (if you are paying via ACH Debit, you need only submit the submission confirmation presented upon completion of filing) <p>Please see instructions for submitting your report via our website. It is highly recommended that holders print and save a copy of their report submission and payment submission confirmation pages.</p>

NOTE: We do not accept wire transfers or ACH Credit transactions for remittance payment at this time.

Requests for Reimbursement

Holders may request a reimbursement for any property previously escheated that has been either mistakenly reported or paid out directly to the owners after escheatment. To request a reimbursement, please fill out the Holder Request for Reimbursement and submit it to our office.

Holder reimbursement claims require the following, in addition to the Holder Request for Reimbursement:

- Copies of the cashed check(s) front and back, or proof of returning property to owner.

- A letter of authorization indicating your position and authority to claim the funds on behalf of the company. This authorization letters must be on company letterhead and signed by an officer of the company.

The claim should be processed within 90 days. If the required documentation is not included with the claim form, the Unclaimed Property Program will send a letter requesting missing documentation, which will result in a longer processing time.

Please submit all reporting materials to the following address:

NAUPA Standard Relationship Codes

CODE	NAME	DESCRIPTION
AD	Administrator	The person appointed by the court to handle the estate of someone who died without a will, with a will with no nominated executor, or the executor named in the will has died, has been removed from the case, or does not desire to serve.
AG	Agent For	A person who is authorized to act for another (the agent's principal) through employment, by contract or apparent authority.
AF	Attorney For	A person who has been qualified by a state or Federal court to provide legal services, including appearing in court, and is authorized to act for another.
AN	And (unspecified joint relationship)	Unspecified joint relationship including 'AND'.
BF	Beneficiary	Any person or entity (like a charity) who is to receive assets or profits from an estate, a trust, an insurance policy or any instrument in which there is distribution.
CP	Community Property	Property or earnings received by a husband and wife during marriage, other than by gift, devise, or descent. Separate property is property owned by a spouse before marriage or received during the marriage by gift, devise or descent. In some jurisdictions, earnings from separate property are also separate property and in some jurisdictions, such earnings are community property. Recognized by California, Arizona, New Mexico, Texas, Nevada, Idaho, Washington, Wisconsin, Louisiana and Puerto Rico.
CN	Conservator	A guardian and protector appointed by a judge to protect and manage the financial affairs and/or the person's daily life due to physical or mental limitations or old age.
CF	Custodian	A person with whom some article is left, usually pursuant to a contract (called a "contract of bailment"), who is responsible for the safe return of the article to the owner when the contract is fulfilled.
DF	Defendant	The party sued in a civil lawsuit or the party charged with a crime in a criminal prosecution.
ES	Estate	All the possessions of one who has died and are subject to probate (administration supervised by the court) and distribution to heirs and beneficiaries, all the possessions which a guardian manages for a ward (young person requiring protection and administration of affairs), or assets a conservator manages for a conservatee (a person whose physical or mental lack of competence requires administration of his/her affairs).
EX	Executor or Executrix	The person appointed to administer the estate of a person who has died leaving a will which nominates that person.
FB	For Benefit of	A person who is entitled to property that is held by another person (typically a custodian or trustee). FB is typically used in trustee, self-directed, inherited, education and transferred accounts.

GR	Guardian	A person who has been appointed by a judge to take care of a minor child (called a "ward") or incompetent adult personally and/or manage that person's affairs.
HE	Heir	Anyone who receives property of a deceased person either by will or under the laws of descent and distribution. (Explanation: a devisee under a will is also an "heir", even though unrelated to the decedent.)
IN	Insured	The person or entity who will be compensated for loss by an insurer under the terms of a contract called an insurance policy.
JT	Joint Tenants	An account held in joint tenancy presumes a right of survivorship, but this presumption can be overcome by evidence that the account was really the property of only one, and the joint tenancy was for convenience. Right of Survivorship is not specifically stated.
JS	Joint Tenants with Rights of Survivorship	A type of account which is owned by at least two people, where all tenants have an equal right to the account's assets and are afforded survivorship rights in the event of the death of another account holder. In this type of account, a surviving member will inherit the total value of the other member's share of account assets upon the death of that other member. All members of the account are afforded the power to conduct investment transactions within the account as well.
TC	Tenants in Common	A type of account which is owned by at least two people with no rights of survivorship afforded to any of the account holders. In this type of account, a surviving tenant of the account does not necessarily acquire the rights (and account assets) of the deceased person. Rather, each tenant in the account can stipulate in a written will how his/her assets will be distributed upon his/her death. Generally, the member ownership in the account is determined on a pro rata basis, meaning that if there are two tenants in the account, each will have a 50% claim on the account's value.
JE	Tenants in Entireties	Joint ownership of property or securities by a husband and wife where, upon the death of one, the property goes to the survivor.
OR	Or Unspecified Joint Relationships	Unspecified joint relationship including 'OR'
OT	Other Relationships	Relationship other than specified in this list. Additional details should be submitted with the property.
PD	Payable on Death	Account is payable on Death to an alternate owner. Upon the original owner's death, the beneficiary must supply identification and a copy of the original owner's death certificate.
PA	Payee	The one named on a check or promissory note to receive payment.
PO	Power of Attorney	A written document signed by a person giving another person the power to act for the signer in designated circumstances and with respect to designated property. Explanation: There are both general powers of attorney which give the authorized party broad discretion and special powers of attorney that are limited in scope.
RE	Remitter	Used primarily on official checks. The Remitter is the person who purchased the official check. This relationship is separate from the Holder who turns the property over to the state.
SO	Sole Owner	Sole Owner is used when there is only a single owner for the property, and that person has all rights to the ownership of the property.
TE	Trustee	A person or entity who holds the assets (corpus) of a trust for the benefit of the beneficiaries and manages the trust and its assets under the terms of the trust stated in the Declaration of Trust which created it.

UG	Uniform Gifts to Minors	Property that is gifted to a Minor under the Uniform Gifts to Minors Act – (UGMA). This act allows minors to own property such as securities. Under the UGMA, the ownership of the funds works like it does with any other trust except that the donor must appoint a custodian (the trustee) to look after the account. Regardless of whether the minor has reached the age of majority, they should be coded with the UG relation. The custodian on the account should be coded as CU.
UT	Uniform Transfer to Minor	Property that is gifted to a minor under the Uniform Transfer to Minors Act – (UTMA). This act allows a minor to receive gifts such as money, patents, royalties, real estate and fine art, without the aid of a guardian or trustee. The gift giver or an appointed custodian manages the minor's account until the minor is of age (usually 18 or 21).
UN	Unknown	The owner's relationship to the property is not known.
UF	Usufruct	Usufruct is a real right in a property owned by another, normally for a limited time or until death. Simply stated, it is the right to use the property, to enjoy the fruits and income of the property, to rent the property out and to collect the rents, all to the exclusion of the underlying real or naked owner. The usufructuary has the full right to use the property but cannot dispose of the property nor can it be destroyed.

MUTUAL FUND TRANSFER INSTRUCTIONS

All mutual fund shares must be delivered manually using fund account numbers set up with our custodian. Submit requests for fund account numbers to our custodian, Principal Custody Solutions at pcsmplscsc@principal.com. Please use Attn: Zdravko Djukic in the subject line. Provide the fund name, CUSIP, ticker symbol and number of shares to be delivered when requesting fund account numbers.

When making notification of delivery of mutual fund shares, provide all fund information including CUSIP, ticker and share amount. If the fund company is aware of the fund delivery, provide their contact information including name, phone and email. This will allow our Custodian to communicate directly with the fund company to ensure successful delivery of shares to the State of MN – Unclaimed Property.

Contact our office at holder.unclaimed@state.mn.us or 651-539-1545 for additional instructions if reported shares cannot be transferred to our custodial account.

FOREIGN SECURITY DELIVERY

Submit a list of foreign securities to our custodian via email at pcsmplscsc@principal.com. Please use Attn: Zdravko Djukic in the subject line.

INVESTMENT INCOME: All dividend reinvestment elections should terminate after registration to Minnesota Unclaimed Property. All dividends, capital gains and other income distributions should be paid in cash. Send all investment income to the Minnesota Department of Commerce by check.

DRP ACCOUNTS: Dividend Reinvestment Plan (DRP) accounts should be converted to pay any increments in cash. Fractional shares must be liquidated, unless the fractional shares are transferable, the proceeds from the liquidation should be included with your annual report and remittance. Liquidate fractional shares at the property level, do not total fractions for all owners prior to sale. When reporting proceeds from fractional shares, the cash value should be reported as cash for fractional shares (SC09) for each individual owner.

WORTHLESS AND NON-TRANSFERABLE STOCK: Do not report or remit worthless, chilled or otherwise non-transferable securities. Contact our office at Holder.Unclaimed@state.mn.us if you are uncertain whether a security should be delivered based on this criteria. If the stock become transferable and have value then report and remit the shares with your next annual report.

PHYSICAL SECURITIES: Advance approval is required prior to delivery of physical certificates. Certificates will be returned to sender if the shares can be transferred electronically or if they are restricted. All certificates must be re-registered with our Custodian, Principal Bank.

REPORTING RESPONSIBILITY: It is the Holder's obligation to ensure that reported shares are transferred into our custody successfully. If a transfer agent is acting on behalf of the Holder and fails to remit the shares to our custodial account, the liability remains with the Holder. If a transfer agent is unable to initiate DTC deliveries to our custodial account then a list of securities to be reported will need to be delivered to our office prior to submitting any related reports. If you do not have owner names, list the owner as "Unknown" and furnish as much information as possible from your files. List the dates of the check and their corresponding check numbers, any addresses, SSN's, account numbers, co-owners, or remitters, if known.
