NOTES TO FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Accounting Practices

Organization

Minnesota Surety and Trust Company (the "Company") was incorporated and commenced operations on August 28, 1945, under the Statutes of the State of Minnesota. The Company was a licensed property and casualty insurer under Minnesota Statutes Section 60A.06. Effective November 17, 2011, the Company's Minnesota Certificate of Authority to operate as an insurer was revoked. Effective November 22, 2011, the Company was ordered into liquidation.

The Company is a majority owned subsidiary of First Heartland Surety and Casualty Services Company ("First Heartland"). The Company was engaged in underwriting surety and bail bonds in the states of Minnesota, North Dakota, Montana, Utah, South Dakota and Colorado. The coverage on the surety and bail bonds was marketed to customers through a network of independent insurance agents and brokers. The Company also provided trust services primarily to individuals in Minnesota.

The financial statements have been prepared in conformity with the accounting practices prescribed or permitted by the National Association of Insurance Commissioners and the Minnesota Department of Commerce.

The financial statements are prepared by the Receiver from information available to, known or estimated by the Receiver as of the date of the Quarterly Statement. The Receiver makes no warranty as to the accuracy of the information or of the opinions or evaluations contained in the Quarterly Statement and expressly disclaims any liability arising from the statements of fact, evaluation or opinion contained in the Quarterly Statement. Assets reported in the Quarterly Statement do not include all possible recoveries that may result from various legal and/or collection efforts. Fidelity/surety loss reserves are the Receivers best estimates of outstanding losses and loss adjustment expenses as of September 30, 2018. These estimates will continue to be updated from time to time.

B. Use of estimates in the Preparation of the Financial Statements & Accounting Policy

The Company records bail bond premiums on the net remittances method. As such, the difference between the fee, generally 10% of the bond, and the premium has not been recorded in these financial statements.

Premiums written are recorded on an annual basis to match the billing to the policyholder. Premiums on other than bail bonds are earned on a pro rata basis over the life of the insurance policy. Audit adjustments to premiums are recognized in the period that the adjustment becomes known. Unearned premium reserves are established for the portion of premiums billed applicable to the unexpired term of the premium.

Certain costs of acquiring new business, principally commissions, premium taxes and other variable policy issuance and underwriting expenses, were expensed when due.

Unpaid claim and settlement expenses are based on estimates of reported and unreported claims and related settlement expenses. The Company does not discount the reserve liability for future policy claims settlement expenses.

Investments in fixed maturity bonds are recorded at amortized cost under the valuation standards of the National Association of Insurance Commissioners. No provision is made for temporary declines in market values below amortized cost as the Company generally intends to hold these investments until maturity and does not expect to realize an significant losses. If, however, a permanent impairment occurs in a security, the Company writes the security down to the new value. Short-term investments are recorded at cost, which approximates market. Investments in common and preferred stocks are carried at estimated market values based on published market quotations.

Realized gains and losses are computed based on specific identification of the cost of the securities sold. Unrealized gains and losses of common and preferred stock are included in surplus.

Cash and short-term investments include demand and savings deposits at several financial institutions. At times cash on deposit may exceed federally insured limits. For purposes of the statement of cash flows, the Company considers all highly liquid investments with a maturity of one year or less, when purchased, to be cash equivalents.

21. OTHER ITEMS

C. Other Disclosures

Attached at the end of the Annual Statement is an exhibit titled "Restatement of Liabilities by Priority". This exhibit is for information purposes only and has been prepared by the Liquidator and has not been approved by the Court.

Prior to being ordered into liquidation, Minnesota Surety and Trust Company (MSTC) wrote immigration bonds. The U.S. Immigration & Customs Enforcement (ICE) filed a \$483,735.25 claim with the liquidator in April 2016, claiming that 62 immigration bonds issued by MSTC were breached in 2014 and 2015. The liquidator denied ICE's claim in November 2016 on the grounds that all insurance policies and similar contracts of coverage issued by MSTC were terminated as a matter of law effective December 23, 2011 due to the Order of Liquidation. See Minn. Stat. § 60B.22. ICE filed a motion on August 2, 2017, with the Second Judicial District Court, Ramsey County, Minnesota, requesting that the court deny the liquidator's motion for summary judgment because MSTC's liability as surety on the 62 ICE immigration bonds attached when the bonds were executed and, thus, the liquidator's denial of ICE's Proof of Claim for \$483,735.25 was contrary to law. The litigation remains ongoing and this matter was unresolved as of the date of this financial statement.

22. EVENTS SUBSEQUENT None.
