Subject of the Expedited Rules and Statutory Authority. The proposed rule amendments modernize provisions related to workers' compensation rating in Minnesota Rules, chapter 2705, governing Data Services Organizations. The statutory authority to adopt the rules is Minnesota Statutes, section 79.51, subd. 1. The statutory authority to amend the rules under the expedited rulemaking process is Laws of Minnesota 2021, 1st Spec. Sess. Chapter 4, article 1, section 28, which states, "The commissioner shall amend Minnesota Rules, parts 2705.1000, item B, subitem (4); 2705.0200, subpart 7; 2705.1700, subpart 2; and 2705.1800, item B, or other parts of Minnesota Rules, chapter 2705, as necessary to permit a data service organization to collect loss adjustment expense data and to consider and include in its ratemaking report losses developed to their ultimate value, trended losses, and loss adjustment expenses. The commissioner may use the expedited rulemaking procedures under Minnesota Statutes, section 14.389." A copy of the proposed amended rules is published in the State Register and attached to this notice as mailed.

Comments. You have until **4:30 p.m. on Monday, January 24, 2022**, to submit written comment in support of or in opposition to the proposed expedited rules and any part or subpart of the rules. Your comment must be in writing and received by the agency contact person by the due date. The Department encourages comment. Your comment should identify the portion of the proposed expedited rules addressed and the reason for the comment. In addition, you are encouraged to propose any change desired. You must also make any comments that you have on the legality of the proposed rules during this comment period.

Modifications. The agency may modify the proposed expedited rules using either of two avenues: The agency may modify the rules directly so long as the modifications do not make them substantially different as defined in *Minnesota Statutes*, section 14.05, subdivision 2, paragraphs (b) and (c). Or the agency may adopt substantially different rules if it follows the procedure under *Minnesota Rules*, part 1400.2110. If the final rules are identical to the rules originally published in the State Register, the agency will publish a notice of adoption in the State Register. If the final rules are different from the rules originally published in the State Register, the agency must publish a copy of the changes in the State Register. If the proposed expedited rules affect you in any way, the agency encourages you to participate in the rulemaking process.

Alternative Format. Upon request, this information can be made available in an alternative format, such as large print, braille, or audio. To make such a request, please contact the agency contact person at the address or telephone number listed above.
