# Minnesota Rules: Amendments and Additions

## NOTICE: How to Follow State Agency Rulemaking in the State Register

The State Register is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the State Register. Published every Monday, the State Register makes it easy to follow and participate in the important rulemaking process. Approximately 80 state agencies have the authority to issue rules. Each agency is assigned specific Minnesota Rule chapter numbers. Every odd-numbered year the Minnesota Rules are published. Supplements are published to update this set of rules. Generally speaking, proposed and adopted exempt rules do not appear in this set because of their short-term nature, but are published in the State Register.

An agency must first solicit Comments on Planned Rules or Comments on Planned Rule Amendments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (Minnesota Statutes §§ 14.101). It does this by publishing a notice in the State Register at least 60 days before publication of a notice to adopt or a notice of hearing, or within 60 days of the effective date of any new statutory grant of required rulemaking.

When rules are first drafted, state agencies publish them as Proposed Rules, along with a notice of hearing, or a notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules, and withdrawn proposed rules, are also published in the State Register. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the State Register as Adopted Rules. These final adopted rules are not printed in their entirety, but only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the State Register, the issue the rule appeared in as proposed, and later as adopted.

The State Register features partial and cumulative listings of rules in this section on the following schedule: issues #1-26 inclusive (issue #26 cumulative for issues #1-26); issues #27-52 inclusive (issue #52, cumulative for issues #27-52 or #53 in some years). A subject matter index is updated weekly and is available upon request from the editor. For copies or subscriptions to the State Register, contact the editor at 651-201-3204 or email at [sean.plemmons@state.mn.us](mailto:sean.plemmons@state.mn.us)

# Expedited Rules

Provisions exist for the Commissioners of some state agencies to adopt expedited rules when conditions exist that do not allow the Commissioner to comply with the requirements for normal rules. The Commissioner must submit the rule to the attorney general for review and must publish a notice of adoption that includes a copy of the rule and the conditions. Expedited rules are effective upon publication in the State Register, and may be effective up to seven days before publication under certain conditions.

Expedited rules are effective for the period stated or up to 18 months. Specific *Minnesota Statute* citations accompanying these expedited rules detail the agency's rulemaking authority.

**KEY: Proposed Rules** - Underlining indicates additions to existing rule language. ~~Strikeouts~~ indicate deletions from existing rule language. If a proposed rule is totally new, it is designated "all new material."

**Adopted Rules** - Underlining indicates additions to proposed rule language. ~~Strikeout~~ indicates deletions from proposed rule language.

### Adopted Expedited Rules Relating to Workers' Compensation Ratemaking

The rules proposed and published at State Register, Volume 46, Number 25, pages 729-731, December 20, 2021 (46 SR 729), are adopted as proposed.

# Executive Orders

The governor has the authority to issue written statements or orders, called Executive Orders, as well as Emergency Executive Orders. The governor's authority is specified in the Constitution of the State of Minnesota, Article V, and in *Minnesota Statutes* § 4.035. Emergency Executive Orders, for protection from an imminent threat to health and safety, become effective immediately, are filed with the secretary of state, and published in the *State Register* as soon as possible after they are issued. Other Executive Orders become effective 15 days after publication in the *State Register* and filing with the secretary of state. Unless otherwise specified, an executive order expires 90 days after the date the governor who issued the order vacates office.

## Office of the Governor

### Executive Order 22-07: Establishing the Opioids, Substance Use, and Addiction Subcabinet and the Governor's Advisory Council on Opioids, Substance Use, and Addiction

I, Tim Walz, Governor of the State of Minnesota, by the authority vested in me by the Constitution and applicable statutes, issue the following Executive Order:

Opioid overdose deaths, along other substance-related deaths, have increased significantly in Minnesota and across the country over the past two decades—and they continue to increase year after year. Although Minnesota has one of the lowest drug overdose mortality rates in the country, we have seen that rate trend upward. Since 2000, nearly 5,400 Minnesotans have lost their lives due to opioids. The Minnesota Department of Health reported 54 overdose deaths in 2000, and 678 in 2020. Increases in Minnesota's overdose mortality rates have been especially dramatic among people of color and Native Americans, leading to some of the worst racial disparities in drug overdose mortality in the nation. In Minnesota, Native Americans are seven times more likely, and African Americans are twice as likely, to die from opioid-related overdoses than white people.

There are many reasons for the tragic rise in opioid-related deaths. To start, opioids can be easy to obtain. Most

# Executive Orders

---

common prescription opioid painkillers are Schedule II drugs. This means that any physician may prescribe an opioid painkiller in the course of pain treatment. Opioids are also highly addictive. They activate the brain's reward systems that trigger the release of dopamine, leading to feelings of intense pleasure. The early stages of opioid abuse are primarily driven by this stimulation of the brain's reward systems.

Fentanyl—a synthetic opioid—has also fueled the opioid crisis. Fentanyl is 50 times stronger than heroin and 100 times stronger than morphine. Since fentanyl is so potent, even a very small amount can be lethal. It is widely available and often mixed intentionally or unintentionally with other drugs. People who use drugs are often unaware that they are taking fentanyl, leading to deadly results. Synthetic opioids were responsible for more than 80 percent of the opioid-related overdose deaths in 2020.

In addition to increased overdoses from opioids and other drugs, we have also witnessed an increase in alcohol sales and excessive consumption. This increase is concerning, because alcohol is the third-leading preventable cause of death in the United States. Alcohol is the leading substance driving admission to substance use disorder treatment for adults in Minnesota. In 2020, 992 Minnesotans' deaths were solely attributable to alcohol. Even more Minnesotans died from alcohol in combination with other factors.

Despite the deadly consequences of substance use, only one in ten people with a substance use disorder receives treatment. To prevent more tragic deaths, we must do more to combat substance use and educate and provide treatment to all those who need it.

In 2019, I signed the Opiate Epidemic Response bill into law. Through that bill, Minnesota now raises funds from prescribers, drug manufacturers, and distributors to fight the opioid crisis. The bill also established the Opioid Epidemic Response Advisory Council (“OERAC”) to oversee the funding. OERAC is responsible for developing and implementing a comprehensive and effective statewide effort to address the opioid addiction and overdose epidemic in Minnesota.

Minnesota Attorney General Keith Ellison leads key aspects of Minnesota's response to the opioid epidemic, including ensuring Minnesota's participation in national lawsuits against opioid distributors and manufacturers. In the coming years, Minnesota will receive almost \$300 million from settlements in several of those suits. Attorney General Ellison led efforts to reach an agreement between cities, counties, and the State on the allocation and distribution of these funds, which includes distribution of 75 percent of the proceeds to local governments (including all counties and 33 cities). The State's portion of these settlement funds will be overseen and distributed by OERAC. These funds will support programs and strategies to help communities and Tribal Nations address the opioid epidemic, including grants for traditional healing programs and grants to communities for overdose prevention. This important work will help Minnesota address the opioid crisis and will save lives.

As the grim reports of overdose deaths plainly show, more work remains to be done to address opioids, substance use, and addiction issues. Coordination and leadership among state agencies, with input from the public, is vital to ensuring that resources are aligned to meet these challenges most effectively. A subcabinet can assist with coordination and strategy development across our enterprise, and an advisory council can provide much-needed external input from affected communities. An Addiction and Recovery Director in the Office of the Governor and Lieutenant Governor will help lead and facilitate this critical interagency and public engagement.

For these reasons, I order as follows:

1. To more effectively coordinate and marshal state resources, the Opioids, Substance Use, and Addiction Subcabinet (“Subcabinet”) is established.
2. The purpose of the Subcabinet is to:
  - a. Identify challenges that exist within state government that create silos around addiction, treatment, and recovery and that limit access to treatment options or addiction-related services.

# Executive Orders

- b. Identify opportunities that exist within state government that support access to treatment options or addiction-related services.
- c. Identify barriers and gaps in service for Native Americans, African Americans, other communities of color, and other communities—including but not limited to the LGBTQ+ community—seeking treatment from opioid or substance use addiction and propose solutions.
- d. Identify how the State can address addiction as a chronic disease, emphasizing that there are multiple ways to enter sobriety.
- e. Identify policies and strategies that address prevention efforts, including addressing underlying causes and public awareness and education around the dangers of issues including, but not limited to, opioid abuse, use of fentanyl and other synthetic opioids, other substance use, excessive alcohol consumption, and addiction.

3. The members of the Subcabinet are the Commissioner, Executive Director, or Chair of the following agencies and council:

- a. Department of Human Services
- b. Department of Health
- c. Department of Education
- d. Department of Public Safety
- e. Department of Corrections
- f. Minnesota Management and Budget
- g. Office of Higher Education
- h. Interagency Council on Homelessness

4. The Governor's Addiction and Recovery Director will serve as Chair of the Subcabinet.

5. The duties of the Subcabinet are as follows:

- a. **Opioids, Substance Use, and Addiction Policy and Strategy Development.**
  - i. Identify challenges and opportunities that exist with accessing treatment and support services and develop recommendations to overcome these barriers.
  - ii. With input from affected communities, develop policies and strategies that will reduce barriers and gaps in service for Native Americans, African Americans, other communities of color, and other communities—including but not limited to the LGBTQ+ community—seeking treatment for opioid or substance use addiction.
  - iii. Develop policies and strategies that the State may adopt to expand Minnesota's recovery infrastructure, including detox facilities, treatment facilities, and sober housing.
  - iv. Develop policies and strategies to expand services and support for people in Minnesota suffering from opioid or substance use addiction through partnerships with the Office of the Attorney General and OERAC.

# Executive Orders

---

- v. Develop policies and strategies for agencies to manage addiction and the relationship it has with co-occurring conditions.
- vi. Identify policies and strategies that the State could adopt to address opioid or substance use addiction among Minnesotans experiencing homelessness.
- vii. Submit legislative recommendations addressing opioids, substance use, and addiction in Minnesota by December 31, 2022. The legislative recommendations must also include the establishment of a permanent Opioid, Substance Use, and Addiction Council, as well as statutory language and goals for that Council.

b. **Public Engagement.** Successful policy and strategy development requires that those affected by addiction, including members of Native American communities, communities of color, and other Minnesota communities, have a voice and the opportunity to participate in the process. The Subcabinet will develop and implement a public engagement framework to ensure meaningful public engagement is conducted by the Subcabinet's agencies and boards. The purpose of the engagement framework is to:

- i. Engage with, and seek feedback from, the eleven Tribal Nations within Minnesota.
- ii. Build partnerships and shared understanding across urban Indian communities, communities of color, local communities, and industries, including but not limited to the health and business sectors.
- iii. Provide a platform for dialogue about the needs and challenges of those in active addiction or in recovery, and to identify solutions and how those solutions will impact the lives of people in Minnesota, including those who have been underrepresented in policy discussions or are disproportionately impacted by addiction, including opioid addiction.
- iv. Gather and share ideas for how Minnesotans can get involved with, and stay informed about, addiction issues that matter to them.

6. The Governor's Advisory Council on Opioids, Substance Use, and Addiction ("Advisory Council") is established to advise the Subcabinet in its duties.

7. The Advisory Council will be comprised of up to 15 members appointed by the Governor. The Governor will seek representation from community leaders, individuals with direct experience with addiction, individuals providing treatment services, and other relevant stakeholders.

8. The duties of the Advisory Council are as follows:

- a. Meet up to four times per year to identify opportunities for, and barriers to, the development and effective implementation of policies and strategies to expand access to services for people in Minnesota suffering from addiction.
- b. Promote equity by examining what services and supports are needed in communities that are disproportionately impacted by the opioid epidemic, including but not limited to Native American communities, African American communities, and other communities of color.
- c. Provide opportunities for Minnesotans who have directly experienced addiction to address needs, challenges, and solutions.

9. The Department of Human Services, in coordination with other state agencies and boards, will provide staffing and administrative support to the Subcabinet and the Advisory Council.

# Executive Orders

This Executive Order is effective fifteen days after publication in the State Register and filing with the Secretary of State. It will remain in effect until rescinded by proper authority or until it expires in accordance with Minnesota Statutes 2021, section 4.035, subdivision 3.

A determination that any provision of this Executive Order is invalid will not affect the enforceability of any other provision of this Executive Order. Rather, the invalid provision will be modified to the extent necessary so that it is enforceable.

Signed on April 7, 2022.

## Official Notices

Pursuant to *Minnesota Statutes* §§ 14.101, an agency must first solicit comments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency by publishing a notice in the *State Register* at least 60 days before publication of a notice to adopt or a notice of hearing, and within 60 days of the effective date of any new statutory grant of required rulemaking.

The *State Register* also publishes other official notices of state agencies and non-state agencies, including notices of meetings and matters of public interest.

## Minnesota Board of Pharmacy

### Order to Designate or Remove Controlled Substances – In the Matter of the Temporary Scheduling or Removal of Certain Substances as Controlled Substances

**WHEREAS** Minn. Stats. § 152.02, subd. 12 (a), contains the following provision:

If any substance is designated, rescheduled, or deleted as a controlled substance under federal law, the Board of Pharmacy may similarly and temporarily control the substance under this chapter by issuing an order and causing it to be published in the State Register and filed with the secretary of state. In issuing the order, the board is not required to engage in rulemaking. The order expires no later than 12 months after the date of issue and may not be renewed. After issuing the order, the board may permanently schedule the substance only by exercising the authority granted to it under subdivision 8.

**WHEREAS**, the United States Drug Enforcement Administration (DEA), acting under federal law, has made the following additions to the federal Schedules of controlled substances (the date listed is the effective date of the DEA action):

## Minnesota Department of Transportation (MnDOT)

### Office of Freight and Commercial Vehicle Operations Notice of the Availability of a Draft Public Engagement Plan associated with the update of the Minnesota State Rail Plan for 45-day Review and Public Comment

The Minnesota Department of Transportation (MnDOT) is planning to update the State Rail Plan. This Public Engagement Plan provides a framework for the inclusive and equitable approach MnDOT will use to engage with and seek input from all audiences during the planning process. MnDOT will use this framework to create customized engagement strategies to meet the unique needs of different audiences and groups.

During this public comment period, MnDOT is requesting written public feedback on the general framework of this engagement plan and regarding the direction it provides to MnDOT's efforts to engage with different audiences and groups as the agency completes the update of the State Rail Plan.

The public comment period on this draft Public Engagement Plan begins on **Monday, April 11, 2022**

# Official Notices

The draft Public Participation Plan is available for review on the State Rail Plan website at: <https://www.dot.state.mn.us/planning/railplan/>

MnDOT will accept written public comment on this draft Public Engagement Plan through **4:30 PM Thursday, May 26, 2022**

## State Grants & Loans

In addition to requests by state agencies for technical/professional services (published in the State Contracts Section), the *State Register* also publishes notices about grants and loans available through any agency or branch of state government. Although some grant and loan programs specifically require printing in a statewide publication such as the *State Register*, there is no requirement for publication in the *State Register* itself. Agencies are encouraged to publish grant and loan notices, and to provide financial estimates as well as sufficient time for interested parties to respond.

## Minnesota Housing Finance Agency (Minnesota Housing) Consolidated Request for Proposals: 2022 Single Family Request for Proposals, 2022 Multifamily Request for Proposals, 2023 Housing Tax Credit (HTC) Program Round 1 and Round 2 Request for Proposals

Housing is the foundation for success, so we collaborate with individuals, communities and partners to create, preserve and finance housing that is affordable.

The 2022 Single Family Request for Proposals (RFP) will provide Minnesota Housing funding resources to complete homeownership projects that include:

- Grant funds
- Deferred loan funds
- Interim construction loans

Single Family resources can be used for affordability gap/downpayment assistance, owner-occupied rehabilitation, new construction, acquisition, rehabilitation and resale, and the Tribal Indian Housing Program. The Single Family RFP

# State Grants & Loans

---

will include funding for the Workforce and Affordable Homeownership Development Program.

The Multifamily Consolidated RFP will provide Minnesota Housing funding resources that include:

- Deferred funding
- Approximately \$10 million in annual Housing Tax Credits Round 1

This RFP, including funding amounts, application materials, guides and deadlines, is available as of Wednesday, April 13, 2022 on the Minnesota Housing website at [www.mnhousing.gov](http://www.mnhousing.gov).

If you are unable to access the website or need assistance locating the appropriate materials, contact the Multifamily Division at 651.296.9832 or 800.657.3647, or Single Family Division at 651.296.2291 or 800.710.8871.

## Board Approval

- Recommendations for the 2022 Single Family and Multifamily Consolidated RFP and 2023 HTC Round 1 will be approved by Minnesota Housing's board members on a date to be posted on the Minnesota Housing website.
- Recommendations for the 2023 HTC Round 2 will be approved by Minnesota Housing's board members on a date to be posted on the Minnesota Housing website.

## Funding Notification

Notification of awards will be posted on the Minnesota Housing website after the board meetings noted above; notification of selection for further processing will be mailed within approximately 10 business days of the approval. Organizations awarded funds from Minnesota Housing funding partners will be notified by the appropriate funding partner directly, after each of their respective board meetings.

This Consolidated RFP is subject to all applicable federal and state laws, rules, and regulations. Minnesota Housing reserves the right to modify or withdraw this Consolidated RFP at any time and is not able to reimburse any applicant for costs incurred in the preparation and/or submittal of proposals.

## 2023 Housing Tax Credit (HTC) Program RFP

The HTC program continues to have two funding rounds per year.

Eligible applicants are invited to submit proposals to the 2022 Multifamily Consolidated RFP and the 2023 HTC Program Round 1 using the Minnesota Housing Multifamily Customer Portal and its required forms and submittals.

For detailed information, refer to the Multifamily Application Instructions available on the Minnesota Housing website at [www.mnhousing.gov](http://www.mnhousing.gov) (Multifamily Rental Partners > Apply for Funding > Application Resources).

Minnesota Housing is accepting 2023 HTC Round 1 applications for 2023 Housing Tax Credits. HTCs offer a 10-year reduction in tax liability to owners and investors in eligible low-income rental housing developments involving new construction, rehabilitation, or acquisition with rehabilitation.

The total estimated 2023 HTCs available for the State of Minnesota is approximately \$14.7 million. Minnesota Housing has estimated the housing credit ceiling for Minnesota for calendar year 2023 based upon an estimate. The actual housing credit ceiling for the year 2023 will not be known by Minnesota Housing until early 2023.

The 2023 HTC Round 1 will be the primary HTC selection/allocation round. It is anticipated that most of the 2023 HTCs will be forward selected during this round for the 2023 HTC allocation year. Any credits remaining following the conclusion of the 2023 HTC Round 1 will be made available for 2023 HTC Round 2.

## 2023 HTC Program, Qualified Allocation Plan and Scoring Changes

As part of its annual revisions process, Minnesota Housing's 2023 Housing Tax Credit Program, Qualified Allocation Plan (QAP), Self-Scoring Worksheet and various related programmatic documents have been revised in several key

# State Grants & Loans

respects. Details regarding these changes can be found at [www.mnhousing.gov](http://www.mnhousing.gov) > Multifamily Rental Partners > Apply for Funding > Tax Credits.

## Credit Formula

The Minnesota Legislature designated Minnesota Housing as the primary allocating agency for HTCs for the state and authorized eligible cities and counties to administer the HTCs in their respective jurisdictions based on Minnesota Statutes Sections 462A.222 and 462A.223.

## Minnesota Housing Administration of HTCs

In both HTC rounds (Round 1 and Round 2), applicants with eligible buildings in the balance of the state, not within the jurisdiction of a Suballocator, may apply to Minnesota Housing for an allocation of HTCs.

Each year, 10 percent of the state ceiling is set aside by Minnesota Housing for allocation to nonprofit sponsored developments with a Section 501(c)(3) or 501(c)(4) status or appropriate designation approval by the Internal Revenue Service (IRS) as required by Section 42(h)(5). Qualified nonprofit organizations can apply to Minnesota Housing for these credits, regardless of the geographic location of the proposed low-income housing development, as specified in the QAP.

## Local Administration of HTCs

The following eligible cities and counties have the authority to administer the HTCs locally:

| Suballocator                    | Joint Powers Suballocator |
|---------------------------------|---------------------------|
| Saint Paul: 651.266.6591        | Duluth: 218.730.5303      |
| Dakota County: 651.675.4478     | St. Cloud: 320.252.0880   |
| Minneapolis: 612.673.5266       | Rochester: 507.328.2003   |
| Washington County: 651.458.6556 |                           |

In Round 1, applicants with eligible buildings located in the jurisdiction of a Suballocator must apply to the local administrator for HTCs.

Joint Powers Suballocators enter into an agreement with Minnesota Housing to perform allocation and compliance functions. Applicants with eligible buildings located within the jurisdiction of a Joint Powers Suballocator must submit a complete application to Minnesota Housing.

Nonprofit applicants may apply to both Minnesota Housing and the Suballocator. For further information, contact the applicable city or county at the phone number above.

In Round 2, all unallocated HTCs will be transferred to a unified pool for allocation by Minnesota Housing on a statewide basis as specified in the QAP.

# State Contracts

**Informal Solicitations:** Informal solicitations for professional/technical (consultant) contracts valued at over \$5,000 through \$50,000, may either be published in the *State Register* or posted on the Department of Administration, Materials Management Division's (MMD) Web site. Interested vendors are encouraged to monitor the P/T Contract Section of the MMD Website at [www.mmd.admin.state.mn.us](http://www.mmd.admin.state.mn.us) for informal solicitation announcements.

**Formal Solicitations:** Department of Administration procedures require that formal solicitations (announcements for contracts with an estimated value over \$50,000) for professional/technical contracts must be published in the *State Register*. Certain quasi-state agency and Minnesota State College and University institutions are exempt from these requirements.

**Requirements:** There are no statutes or rules requiring contracts to be advertised for any specific length of time, but the Materials Management Division strongly recommends meeting the following requirements: \$0 - \$5000 does not need to be advertised. Contact the Materials Management Division: (651) 296-2600 \$5,000 - \$25,000 should be advertised in the *State Register* for a period of at least seven calendar days; \$25,000 - \$50,000 should be advertised in the *State Register* for a period of at least 14 calendar days; and anything above \$50,000 should be advertised in the *State Register* for a minimum of at least 21 calendar days.
