Subject: Continuing Education Courses — First Quarter 2026

One appraiser-related CE course was denied during the first quarter of this year.

Course #: 1040080

Course Title: Minnesota in Context: Understanding Today's Economy and Tomorrow's Risks (1 hour) & Steam Building Tour at University of St. Thomas

This course was denied because it included only one hour of content that was determined to be appropriate and related knowledge in the field of real property appraisal, and Minn. Stat. § 45.30, subd. 6 provides that continuing education courses for real estate appraisers must be at least two hours in length.
