Factors to consider when loosening restrictions

**Public Health**

**Key Questions**
- How does this impact the possible spread of the disease?
- How prepared are we to test, trace, and isolate those in our community who are exposed?
- Are our hospitals prepared to treat increasing patients?
- How does this impact public health for non-COVID-19 illnesses?

**Social Distancing**

**Key Questions**
- Can you effectively social distance when doing this action?
- Do we have the supplies needed to keep workers and customers safe?
- How big is the gathering and will people be safe?
- Are the settings predictable in how people gather and interact?

**Societal Well-being**

**Key Questions**
- Will this action help spur economic recovery?
- Does this action promote the mental health and well-being of the public?
- Does this action encourage our communities to return to civic life in a thoughtful way?
- Does this action meaningfully improve the lives of those who have been disproportionately impacted by COVID-19?
