

## **Forensic Services Visitor's Guide**

Safety for our patients, visitors, employees, and the community is of the utmost importance. To help maintain a safe campus, we ask that all guests thoroughly review and comply with the following guidelines:

- Please enter campus from Erickson Drive off Hwy 99 (top right corner of map). A large stone entrance sign can be seen from Hwy 99, to indicate the correct entrance gate.
- Upon arrival to the gate, please have your government issued ID ready for the access gate staff to verify. Failure to do so may result in not being allowed access to the campus.
- A visitor parking pass will be provided to you at the gate, please leave the parking pass visible on the dashboard of your vehicle.
- Once past the security gate, use the most direct route to and from your destination. Please refer to the specific building destination instructions sent to you for your visit.
- Pedestrian traffic always has the right of way on campus. 20 M.P.H. maximum speed limit is to be observed at all times.
- Upon exiting your vehicle, we kindly request that you leave all non-essential items in your vehicle. Additionally, we strongly advise that you lock your vehicle upon exiting to ensure its safety.
- Introduction of prohibited items (controlled substances, explosives, tobacco products, weapons and/or firearms and explosives) is a violation of Minnesota law and campus policies.
- Cell phones are NOT allowed inside the secured perimeter, unless pre-authorized, per policy.
- You will be required to pass through metal detection prior to entering the secure perimeter.
- Photographing and/or filming on this campus is prohibited unless pre-authorized, per policy.
- At the conclusion of your visit, please exit from the same gate that you entered and return the visitor parking pass to the Security staff at the access gate.
