AUTHORITY: Minn. Stat. § 246C.07, Subd. 3(a)(2).

APPLICABILITY: MSOP, program-wide

PURPOSE: To outline the process for reimbursing mileage for spiritual resource volunteers providing services to the MSOP.

DEFINITIONS: None

PROCEDURES:

- A. Clinical Programming directors/designees at each MSOP site set up blanket purchase orders, via the Electronic Inter Office Requisition (EIOR) system, in order to encumber funds in advance of the mileage occurring/expense report being submitted.
- B. Spiritual resource volunteers may submit a written request to the site volunteer services coordinator for reimbursement of round-trip mileage of a minimum of 40 miles and a maximum of 350 miles (the facility clinical director may approve exceptions to the distance maximum). The site volunteer services coordinator reviews, consults with the facility Clinical Programming director/designee, and approves the request as appropriate.
- C. Expense Worksheets not received within this time frame are not eligible for reimbursement.

 2. reviews submitted Expense Worksheets (125-5466a) for accuracy;
 3. records the date(s) of service and mileage reimbursement amount on a spreadsheet located in Clinical Programming SharePoint; and
