

Middle School Muddles, Struggles and Moving Forward *Other Educationally Relevant Needs*

Watch this video of a mock IEP meeting with a middle school student who is hard of hearing. Her team discusses social access needs, advocacy and introducing her to more American Sign Language (ASL) and why. This video begins at 5:03. When you reach 7:59, you may stop and return to this page.

[Check out page 15 of the Discussion Guide.](#)

Discussion prompts:

- ☐ For some students who are hard of hearing, why is it important to start learning ASL in middle school?
- ☐ Where can the student meet other hard of hearing and deaf peers?
- ☐ How will she learn ASL if there's no class in school?
- ☐ Why does the student want to learn ASL?
- ☐ What support can the teacher of deaf/hard of hearing provide?
