
MINNESOTA YOUTH SUCCESS STORY: NATASHA

WSA 06 – Southwest Minnesota Private Industry Council

Natasha is a 21 year old, single parent of a two year old son. Natasha has been a participant through the Southwest Minnesota Private Industry Council since January of 2012. Natasha is currently participating in a paid work experience at the Benson Golden Living Center, as a Kitchen aide. Natasha has a driver's license but no car and relies on public transportation to get to and from work. Natasha's supervisor reports that she is doing a great job; is always on time, receives a rating of "exceeding requirements" on the biweekly

employer evaluations. Natasha will begin the Certified Nursing Assistant certification at Ridgewater College in August 2012. She is grateful for this opportunity provided under the WIA Youth Program.
