

MINNESOTA

the Global Epicenter of Health, Well-Being, Innovation and Care

star of the north*

MINNESOTA The Global Epicenter of Health, Well-Being, Innovation and Care!

Here's the truth: If you want to be a leader in life sciences, you want to be in Minnesota.

- The number one medtech cluster in the world
- Home to Medical Alley, a network of over 800 healthcare industry organizations
- Home to research powerhouses such as the Mayo Clinic, University of Minnesota, Hormel Institute and many others
- \$ Lower cost of doing business and living than the U.S. average and significantly lower than many major metropolitan areas
- Abundant, clean, affordable water supply
- Ample available land and real estate to expand and grow
- > 900 foreign-owned companies from 40+ countries
- 45% of population with Bachelor's Degree, compared to 35% US average

The State of Minnesota at Your Service

Whether you're looking to expand an existing business, relocate from another state or country, or need regulatory and permitting guidance for a complex startup, expansion or relocation, our business consultants have the right background, information, and connections to other state and local agencies to help turn your plans to reality.

Our business consultants have got you covered at any stage with expert advice and analysis. We're located across the state, and also have 6 foreign offices representing 132 countries around the world. We can help you assess Minnesota opportunities to make your business grow. And, we're ready to serve you now - Join us!

In Minnesota, you'll be as connected as you could ever hope to be: To your customers. To industry leaders who can help you grow. To supply chains. To infrastructure. To R&D. To a culture of innovation and excellence. To an educated and driven workforce, ready to work. To entrepreneurship and to a concentration of unique expertise you won't find anywhere.

We're in the Midwest, but we're also in the middle of everything!

STATE OF MINNESOTA EMPLOYMENT AND ECONOMIC DEVELOPMENT

The Minnesota Department of Employment and Economic Development (DEED) is the state's principal economic development agency.

DEED programs promote business recruitment, expansion, and retention; international trade; workforce development; and community development.

MINNESOTA PARTNERS >

With a population of more than 86,000 people and 30,000 jobs, Brooklyn Park is the sixth-largest city in Minnesota and the fourth largest in the metropolitan area. We are a community that believes our residents are our strongest asset and the key to making Brooklyn Park thrive and prosper.
