

DEED | MCIS Student Survey

Your Voice Shapes Minnesota's Future Workforce

Students—We Want to Hear from You!

The Minnesota Department of Employment and Economic Development (DEED) and the Minnesota Career Information System (MCIS) invite you to take a short career exploration survey. Your responses help shape the programs, resources, and opportunities available to students across Minnesota.

Why Your Input Matters

- Helps guide school career programs
- Supports state workforce planning
- Improves career exploration tools and resources
- Ensures student needs and goals are heard

What You'll Be Asked About

- Career interests
- Your community and where you hope to live
- Future education and training plans
- How you explore careers
- AI use in school and daily life

Time to Complete

3–5 minutes

Scan to Take the Survey

Thank you for helping shape the future of Minnesota's workforce!
