# MINNESOTA

## A Renowned Leader in Life Sciences

Here's the truth: **If you want to be a leader in life sciences, you want to be in Minnesota.**

-  **The #1 medtech cluster** in the world
-  **Minnesota's Medical Alley:** Home to 1,000+ life sciences, healthcare, and medtech companies.
-  **Home to research powerhouses** such as the Mayo Clinic, University of Minnesota, Hormel Institute and many others
-  **Lower cost of doing business and living** than the U.S. average and significantly lower than many major metropolitan areas
-  **Abundant, clean, affordable** water supply
-  **Ample available land and real estate** to expand and grow
-  **1,200 foreign-owned companies** from 30+ countries
-  **45% of population with Bachelor's Degree**, compared to 35% US average

# The State of Minnesota at Your Service

Whether you're looking to expand an existing business, relocate from another state or country, or need regulatory and permitting guidance for a complex startup, expansion or relocation, our business consultants have the right background, information, and connections to other state and local agencies to help turn your plans to reality.

Our business consultants have got you covered at any stage with expert advice and analysis. We're located across the state, and also have 6 foreign offices representing 132 countries around the world. We can help you assess Minnesota opportunities to make your business grow. And, we're ready to serve you now - **Join us!**

In Minnesota, you'll be as connected as you could ever hope to be: To your customers. To industry leaders who can help you grow. To supply chains. To infrastructure. To R&D. To a culture of innovation and excellence. To an educated and driven workforce, ready to work. To entrepreneurship and to a concentration of unique expertise you won't find anywhere.

**We're in the Midwest, but we're also in the middle of everything!**

# STATE OF MINNESOTA

## EMPLOYMENT AND ECONOMIC DEVELOPMENT

The Minnesota Department of Employment and Economic Development (DEED) is the state's principal economic development agency.

DEED programs promote business recruitment, expansion, and retention; international trade; workforce development; and community development.

**MINNESOTA PARTNERS**

# Brooklyn Park

Brooklyn Park, Minnesota—home to over 86,000 residents and 30,000 jobs—is the state’s sixth-largest city and a thriving, community-focused place. Located along the Mississippi River, it offers nearly 2,000 acres of parks, extensive trails, recreation facilities, and diverse housing and businesses.
