

Minnesota Dislocated Worker Program

Notes : - The numbers provided in the "Minnesota Plant Closings and Layoff Events" document below are from a variety of resources including: newspapers, WARN letters, employers, employees, and service providers. They may not represent the actual number of employees being laid off.
 - Events are recorded according to the date(s) of notification(s) received.

Events listed are from August 1999 through current year in reverse chronological order.

Event summary is the current and previous years.

For more information send an email to: deed.dw@state.mn.us
