
Applicability
The Project or Program to which the construction work covered by this contract pertains is being assisted by the United States of America and the following Federal Labor Standards Provisions are included in this Contract pursuant to the provisions applicable to such Federal assistance.

1. Minimum Wages. All laborers and mechanics employed or working upon the site of the work, will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account; except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR Part 3), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics. Contributions made or costs reasonably anticipated for bona fide fringe benefits under Section (b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered paid to such laborers or mechanics, subject to the provisions of 29 CFR 5.5(a)(1)(iv); also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs, which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period.

Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein.

Provided, That the employer’s payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates) conform to the Davis-Bacon Act shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

2. (a) Any class of laborers or mechanics which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. HUD shall approve an additional classification and wage rate and fringe benefits therefor only when the following criteria have been met:

(a) The work to be performed by the classification requested is not performed by a classification in the wage determination; and

(b) The classification is utilized in the area by the construction industry; and

(c) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(b) If the contractor and the laborers and mechanics is to be employed in the classification (if known), or their representatives, and HUD or its designee agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by HUD or its designee to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, D.C. 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB control number 1215-0140.)

(c) In the event the contractor, the laborers or mechanics is to be employed in the classification or their representatives, and HUD or its designee do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), HUD or its designee shall refer the questions, including the views of all interested parties and the recommendation of HUD or its designee, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

(d) The wage rate (including fringe benefits where appropriate) determined pursuant to subparagraphs (1)(ii)(b) or (c) of this paragraph, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part of the wage rate agreed to in the contract and as part of the total compensation paid to the worker.
of the wages of any laborer or mechanic the amount of any
costs reasonably anticipated in providing bona fide fringe
benefits under a plan or program, Provided, That the
Secretary of Labor has found, upon the written request of
the contractor, that the applicable standards of the Davis-
Bacon Act have been met. The Secretary of Labor may
require the contractor to set aside in a separate account
assets for the meeting of obligations under the plan or
program. (Approved by the Office of Management and
Budget under OMB Control Number 1215-0140.)

2. Withholding. HUD or its designee shall upon its own
action or upon written request of an authorized
representative of the Department of Labor withhold or
cause to be withheld from the contractor under this
contract or any other Federal contract with the same prime
contractor, or any other Federally-assisted contract
subject to Davis-Bacon prevailing wage requirements,
which is held by the same prime contractor so much of the
accrued payments or advances as may be considered
necessary to pay laborers and mechanics, including
apprentices, trainees and helpers, employed by the
contractor or any subcontractor the full amount of wages
required by the contract. In the event of failure to pay any
laborer or mechanic, including any apprentice, trainee or
helper, employed or working on the site of the work, all or
part of the wages required by the contract, HUD or its
designee may, after written notice to the contractor,
sponsor, applicant, or owner, take such action as may be
necessary to cause the suspension of any further
payment, advance, or guarantee of funds until such
violations have ceased. HUD or its designee may, after
written notice to the contractor, disburse such amounts
withheld for and on account of the contractor or
subcontractor to the respective employees to whom they
are due. The Comptroller General shall make such
disbursements in the case of direct Davis-Bacon Act
contracts.

3. (i) Payrolls and basic records. Payrolls and basic
records relating thereto shall be maintained by the
contractor during the course of the work preserved for a
period of three years thereafter for all laborers and
mechanics working at the site of the work. Such records
shall contain the name, address, and social security
number of each such worker, his or her correct
classification, hourly rates of wages paid (including rates
of contributions or costs anticipated for bona fide fringe
benefits or cash equivalents thereof of the types described
in Section (b)(2)(B) of the Davis-Bacon Act), daily and
weekly number of hours worked, deductions made and
actual wages paid. Whenever the Secretary of Labor has
found under 29 CFR 5.5 (a)(1)(v) that the wages of any
laborer or mechanic include the amount of any costs
reasonably anticipated in providing benefits under a plan
or program described in Section (b)(2)(B) of the Davis-
Bacon Act, the contractor shall maintain records which
show that the commitment to provide such benefits is
enforceable, that the plan or program is financially
responsible, and that the plan or program has been
communicated in writing to the laborers or mechanics
affected, and records which show the costs anticipated or
the actual cost incurred in providing such benefits.
Contractors employing apprentices or trainees under
approved programs shall maintain written evidence of the
registration of apprenticeship programs and certification of
trainee programs, the registration of the apprentices and
trainees, and the ratios and wage rates prescribed in the
applicable programs. (Approved by the Office of
Management and Budget under OMB Control Numbers
1215-0140 and 1215-0017.)

(ii) The contractor shall submit weekly for each week
in which any contract work is performed a copy of all
payrolls to HUD or its designee if the agency is a party to
the contract, but if the agency is not such a party, the
contractor will submit the payrolls to the applicant
sponsor, or owner, as the case may be, for transmission to
HUD or its designee. The payrolls submitted shall set out
accurately and completely all of the information required
to be maintained under 29 CFR 5.5(a)(3)(i) except that full
social security numbers and home addresses shall not be
 included on weekly transmittals. Instead the payrolls shall
only need to include an individually identifying number for
each employee (e.g., the last four digits of the employee’s
social security number). The required weekly payroll
information may be submitted in any form desired.
Optional Form WH-347 is available for this purpose from the
Wage and Hour Division Web site at
http://www.dol.gov/esa/whd/forms/wb347instr.htm or its
successor site. The prime contractor is responsible for the
submission of copies of payrolls by all subcontractors.
Contractors and subcontractors shall maintain the full
social security number and current address of each
covered worker, shall provide them upon request to
HUD or its designee if the agency is a party to the
contract, but if the agency is not such a party, the
contractor will submit the payrolls to the applicant
sponsor, or owner, as the case may be, for transmission to
HUD or its designee, the contractor, or the Wage and Hour
Division of the Department of Labor for purposes of an
investigation or audit of compliance with prevailing wage
requirements. It is not a violation of this subparagraph for
a prime contractor to require a subcontractor to provide
addresses and social security numbers to the prime
contractor for its own records, without weekly submission
to HUD or its designee. (Approved by the Office of
Management and Budget under OMB Control Number
1215-0149.)

(b) Each payroll submitted shall be accompanied by a
"Statement of Compliance," signed by the contractor or
subcontractor or his or her agent who pays or supervises
the payment of the persons employed under the contract
and shall certify the following:

(1) That the payroll for the payroll period contains the
information required to be provided under 29 CFR 5.5
(a)(3)(ii), the appropriate information is being maintained
under 29 CFR 5.5(a)(3)(i), and that such information is
correct and complete;

Previous editions are obsolete
Page 2 of 5
form HUD-4010 (06/2009)
ref. Handbook 1344.1

Open Assistant
(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in 29 CFR Part 3.

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(c) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by subparagraph A.3.(ii)(b).

(d) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under Section 1001 of Title 18 and Section 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under subparagraph A.3 (i) available for inspection, copying, or transcription by authorized representatives of HUD or its designee or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, HUD or its designee may, after written notice to the contractor, sponsor, applicant or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

4. Apprentices and Trainees.

(i) Apprentices. Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeymen’s hourly rate) specified in the contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice’s level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) Trainees. Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee’s level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeymen wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by
the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(iii) Equal employment opportunity. The utilization of apprentices, trainees and journeymen under 29 CFR Part 5 shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR Part 30.

5. Compliance with Copeland Act requirements. The contractor shall comply with the requirements of 29 CFR Part 3 which are incorporated by reference in this contract

6. Subcontracts. The contractor or subcontractor will insert in any subcontracts the clauses contained in subparagraphs 1 through 11 in this paragraph A and such other clauses as HUD or its designee may by appropriate instructions require, and a copy of the applicable prevailing wage decision, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in this paragraph.

7. Contract termination: debarment. A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

8. Compliance with Davis-Bacon and Related Act Requirements. All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR Parts 1, 3, and 5 are herein incorporated by reference in this contract.

9. Disputes concerning labor standards. Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR Parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and HUD or its designee, the U.S. Department of Labor, or the employees or their representatives.

10. (i) Certification of Eligibility. By entering into this contract the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor’s firm is a person or firm ineligible to be awarded Government contracts by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(ii) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(iii) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001. Additionally, U.S. Criminal Code, Section 1 01 0, Title 18, U.S.C., "Federal Housing Administration transactions", provides in part: "Whoever, for the purpose of influencing in any way the action of such Administration... makes, utters or publishes any statement knowing the same to be false... shall be fined not more than $5,000 or imprisoned not more than two years, or both."

11. Complaints, Proceedings, or Testimony by Employees. No laborer or mechanic to whom the wage, salary, or other labor standards provisions of this Contract are applicable shall be discharged or in any other manner discriminated against by the Contractor or any subcontractor because such employee has filed any complaint or instituted or caused to be instituted any proceeding or has testified or is about to testify in any proceeding under or relating to the labor standards applicable under this Contract to his employer.

B. Contract Work Hours and Safety Standards Act. The provisions of this paragraph B are applicable where the amount of the prime contract exceeds $100,000. As used in this paragraph, the terms "laborers" and "mechanics" include watchmen and guards.

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any work-week in which the individual is employed on such work to work in excess of 40 hours in such work-week unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of 40 hours in such work-week.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in subparagraph (1) of this paragraph, the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in subparagraph (1) of this paragraph, in the sum of $10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of 40 hours without payment of the overtime wages required by the clause set forth in subparagraph (1) of this paragraph.
(3) Withholding for unpaid wages and liquidated damages. HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contract, or any other Federally-assisted contract subject to the Contract Work Hours and Safety Standards Act which is held by the same prime contractor such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in subparagraph (2) of this paragraph.

(4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in subparagraph (1) through (4) of this paragraph and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in subparagraphs (1) through (4) of this paragraph.

C. Health and Safety. The provisions of this paragraph C are applicable where the amount of the prime contract exceeds $100,000.

(1) No laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous to his health and safety as determined under construction safety and health standards promulgated by the Secretary of Labor by regulation.

(2) The Contractor shall comply with all regulations issued by the Secretary of Labor pursuant to Title 29 Part 1926 and failure to comply may result in imposition of sanctions pursuant to the Contract Work Hours and Safety Standards Act, (Public Law 91-54, 83 Stat 96). 49 USC 3701 et seq.

(3) The contractor shall include the provisions of this paragraph in every subcontract so that such provisions will be binding on each subcontractor. The contractor shall take such action with respect to any subcontractor as the Secretary of Housing and Urban Development or the Secretary of Labor shall direct as a means of enforcing such provisions.
Welcome to the Wage Determinations OnLine Program!

This website provides a single location for federal contracting officers to use in obtaining appropriate Service Contract Act (SCA) and Davis-Bacon Act (DBA) wage determinations (WDs) for each official contract action. The website is available to the general public as well. Guidance in selecting WDs from this website is provided in the WDOOn.gov User’s Guide.

Alternatively, the WDOOn.gov Program also provides contracting officers direct access to the Department of Labor’s (DOL’s) "e89" website to submit a request for SCA WDs for use on official contract actions. In some instances, the WDOOn.gov Program will not contain the appropriate SCA WD, and contracting officers will be directed to use DOL’s e89 website in order to obtain the required SCA WD. DOL will provide the contracting officer with an SCA WD through the e89 system.

Questions pertaining to the application of contract labor standards or the selection of appropriate WDs for specific contract actions should be referred to the contracting officer or to the designated agency labor advisors. Questions pertaining to this website may be referred to the WDOOn.gov webmaster.

The WDOOn.gov Program and the User’s Guide does not relieve the contracting officer or other program user of the requirement to carefully review the contract or solicitation, federal acquisition regulations, and/or DOL regulations related to these actions.

Where the contracting officer selects a SCA or DBA WD using the WDOOn.gov Program and DOL later determines, whether before or after contract award, that the appropriate SCA or DBA WD was not incorporated in a covered contract, the contracting officer, within 30 days of notification by DOL, shall include in the contract the applicable WD issued by DOL.

This site is best viewed with Microsoft Internet Explorer 6.0+ or Mozilla Firefox 1.0+ browsers.

### News and Updates...

- **NEW** All Agency Memorandum (AAM) No. 225, issued on July 10, 2017, the new Health and Welfare Fringe Benefits Rate will increase for all Service Contract Act wage determinations. See DOL All Agency Memorandum (AAM) 225: Revised WDs reflecting the new benefit rates will be available at the Wage Determination On-Line website on or about August 1st, 2017. The Electronic SFO-90 form will be temporarily unavailable because of the update from July 20th, 2017 through July 27th, 2017. No e89 requests will be processed at that time. The system will be back online once the update is completed.

- **NEW** All Agency Memorandum (AAM) No. 224, issued on January 17, 2017, provides background and context regarding the Davis Bacon Act regulations requiring agencies, at the beginning of each fiscal year and at the extent practicable, to provide the Administrator of the Wage and Hour Division with information regarding their proposed construction programs for the coming year.

- **NEW** All Agency Memorandum (AAM) No. 223, issued on January 13, 2017, provides notification of the FY 2017 Davis-Bacon Wage Survey Plan. The Memorandum also seeks input from stakeholders concerning the FY 2018 Davis-Bacon Wage Survey Plan currently in development.

- **NEW** All Agency Memorandum (AAM) No. 222, issued on January 11, 2017, provides background and context regarding the Davis Bacon Act and its coverage provisions, summarizes the CityCenterDC opinion, and provides guidance regarding the opinion’s significance.

- **NEW** Executive Order (EO) 13498 established a minimum wage for certain Federal contractors. Under the EO, effective January 1, 2017, an hourly minimum wage of $10.20 for calendar year 2017 applies to all contracts subject to the Service Contract Act or the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. The EO minimum wage rate will be adjusted annually. Additional information on minimum wage rate adjustments and employer protections under the EO is available at http://www.dol.gov/wah/gos/contracts.

- **NEW** Effective January 1st, 2017, Executive Order 13708, Establishing Paid Sick Leave for Federal Contractors, requires certain employers that contract with the Federal Government to provide employees working on or in connection...
General Decision Number: MN170048 09/22/2017 MN48

Superseded General Decision Number: MN20160048

State: Minnesota

Construction Type: Building

County: Big Stone County in Minnesota.

BUILDING CONSTRUCTION PROJECTS (does not include single family homes or apartments up to and including 4 stories).

Note: Under Executive Order (EO) 13658, an hourly minimum wage of $10.20 for calendar year 2017 applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2015. If this contract is covered by the EO, the contractor must pay all workers in any classification listed on this wage determination at least $10.20 (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in calendar year 2017. The EO minimum wage rate will be adjusted annually. Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

WELDERS - Receive rate prescribed for craft performing operation to which welding is incidental.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their...
own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of "Identifiers" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than "SU" or "UAVG" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the "SU" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the state of Louisiana. 2012 is the year of survey on which
these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

-------------------------

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

* an existing published wage determination
* a survey underlying a wage determination
* a Wage and Hour Division letter setting forth a position on a wage determination matter
* a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request
review and reconsideration from the Wage and Hour Administrator
(See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the
interested party's position and by any information (wage
payment data, project description, area practice material,
etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an
interested party may appeal directly to the Administrative
Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

END OF GENERAL DECISION
Construction Type: Commercial

County Number: 15

County Name: CLEARWATER

Effective: 2016-12-27   Revised: 2017-05-08

This project is covered by Minnesota prevailing wage statutes. Wage rates listed below are the minimum hourly rates to be paid on this project.

All hours worked in excess of eight (8) hours per day or forty (40) hours per week shall be paid at a rate of one and one half (1 1/2) times the basic hourly rate.

Violations should be reported to:

Department of Labor and Industry
Prevailing Wage Section
443 Lafayette Road N
St Paul, MN 55155
(651) 284-5091
DLI.PrevWage@state.mn.us

* Indicates that adjacent county rates were used for the labor class listed.

Title VI of the Civil Rights Act of 1964. This law provides that no person shall be excluded from participation, denied program benefits, or be subjected to discrimination on the basis of race, color or national origin.

Section 109, Title I, of the Housing and Community Development Act (HCDA) of 1974. This law provides that no person shall be excluded from participation (including employment), denied program benefits, or be subjected to discrimination on the basis of race, color, religion, national origin, sex, age or handicap.

Age Discrimination Act of 1975. This law provides that no person shall be excluded from participation, denied program benefits, or be subjected to discrimination on the basis of age.

Title VIII, Civil Rights Act of 1968, as amended (The Fair Housing Act). This law prohibits discrimination in housing on the basis of race, color, religion, sex, national origin, familial status, and handicap. The law further requires that programs be administered in a manner that affirmatively promotes fair housing.

Executive Order 11063, Amended by Executive Order 12259, (Equal Opportunity in Housing). This executive order prohibits discrimination in housing and related facilities provided with federal funds on the basis of race, color, religion, creed, sex or national origin.

Section 3, Housing and Urban Development Act of 1968, as amended. This law provides that to the greatest extent feasible, opportunities for training and employment that arise through HUD financed projects shall be given to lower income residents of the project area. Section 3 also provides that contracts awarded in connection with such projects shall be awarded to Section 3 businesses located in the area, or businesses owned in substantial part by residents in the project area.

Executive Order 11246 (Equal Employment Opportunity). This executive order provides that no person shall be discriminated against on the basis of race, color, religion, sex, or national origin in any phase of employment during the performance of federal or federally assisted construction contracts. Contracts in excess of $10,000 require affirmative action on the part of employers.

Executive Orders 11625, 12432, 12138. These executive orders require that efforts be made to encourage the use of minority and women owned businesses in federally funded programs.
Title VI of the Civil Rights Act of 1964. This law provides that no person shall be excluded from participation, denied program benefits, or be subjected to discrimination on the basis of race, color or national origin.

Section 109, Title I, of the Housing and Community Development Act (HCDA) of 1974. This law provides that no person shall be excluded from participation (including employment), denied program benefits, or be subjected to discrimination on the basis of race, color, religion, national origin, sex, age or handicap.

Age Discrimination Act of 1975. This law provides that no person shall be excluded from participation, denied program benefits, or be subjected to discrimination on the basis of age.

Title VIII, Civil Rights Act of 1968, as amended (The Fair Housing Act). This law prohibits discrimination in housing on the basis of race, color, religion, sex, national origin, familial status, and handicap. The law further requires that programs be administered in a manner that affirmatively promotes fair housing.

Executive Order 11063, Amended by Executive Order 12259, (Equal Opportunity in Housing). This executive order prohibits discrimination in housing and related facilities provided with federal funds on the basis of race, color, religion, creed, sex or national origin.

Section 3, Housing and Urban Development Act of 1968, as amended. This law provides that to the greatest extent feasible, opportunities for training and employment that arise through HUD financed projects shall be given to lower income residents of the project area. Section 3 also provides that contracts awarded in connection with such projects shall be awarded to Section 3 businesses located in the area, or businesses owned in substantial part by residents in the project area.

Executive Order 11246 (Equal Employment Opportunity). This executive order provides that no person shall be discriminated against on the basis of race, color, religion, sex, or national origin in any phase of employment during the performance of federal or federally assisted construction contracts. Contracts in excess of $10,000 require affirmative action on the part of employers.

Executive Orders 11625, 12432, 12138. These executive orders require that efforts be made to encourage the use of minority and women owned businesses in federally funded programs.
Public Law 95-507, Amendments to the Small Business Investment Act of 1958. This law establishes and sets forth that "it is the policy of the U.S. that small business concerns, and small business concerns owned and controlled by socially and economically and disadvantaged individuals, shall have the maximum practicable opportunity to participate in the performance of contracts let by any federal agency."

Section 504 of the Rehabilitation Act of 1973, as amended. This law provides that no otherwise qualified individual with handicaps shall solely, by reason of his or her handicap, be excluded from participation in, be denied the benefits of, or be discriminated against under any program receiving federal funds.

Americans with Disabilities Act (ADA). This law provides civil rights protection to persons with disabilities in the areas of employment, public services, public accommodations, and telecommunications.

Minnesota Human Rights Law (Chapter 363). This law prohibits discrimination in credit, employment, housing, public accommodations, public service, and education on the basis of race, color, creed, national origin, sex, marital status, disability, sexual orientation, public assistance and familial status.

Uniform Administrative Requirements
(24 CR 85.36(e))
Excerpt On M/WBE Contracting
Small Cities Development Program
State of Minnesota

E. Contracting with small and minority firms, women’s business enterprise and labor surplus area firms.

1. The grantee and subgrantee will take all necessary affirmative steps to assure that minority firms, women’s business enterprises, and labor surplus area firms are used when possible.

2. Affirmative steps shall include:
   a. Placing qualified small and minority businesses and women’s business enterprises on solicitation lists;
   b. Assuring that small and minority businesses, and women’s business enterprises are solicited whenever they are potential sources;
   c. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority business, and women business enterprises;
   d. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority business, and women’s business enterprises;
   e. Using the services and assistance of the Small Business Administration, and the Minority Business Development Agency of the Department of Commerce; and
   f. Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs (E)(2)(a) through (e) of this section.
1. As used in these specifications:
   a. "Covered area" means the geographical area described in the solicitation from which this contract resulted;
   b. "Director" means Director, Office of Federal Contract Compliance Program, United States Department of Labor, or any person to whom the Director delegates authority;
   d. "Minority" includes:
      (i) Black (all persons having origins in any of the Black African racial groups not of Hispanic origin);
      (ii) Hispanic (all persons of Mexican, Puerto Rican, Cuban, Central or South America or other Spanish Culture or origin, regardless of race);
      (iii) Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands); and
      (iv) American Indian or Alaskan Native (all groups having origins in any of the original peoples of North American and maintaining identifiable tribal affiliations through membership and participation or community identification).

2. Whenever the Contractor, or any Subcontractor at any tier, subcontracts a portion of the work involving any construction trade, it shall physically include in each subcontract in excess of $10,000, the provisions of these specifications and the Notice which contains that applicable goals for minority and female participation and which is set forth in the solicitations from which the contract resulted.

3. If the Contractor is participating (pursuant to 41 CFR 60-4.5) in a Hometown Plan approved by the U.S. Department of Labor in the covered area either individually or through an association, its affirmative action obligations on all work in the Plan area (including goals and timetables) shall be in accordance with the Plan for those trades which have unions participating in the Plan. Contractors must be able to demonstrate their participation in and compliance with the provisions of any such Hometown Plan. Each Contractor or Subcontractor participating in an approved Plan is individually required to comply with its obligations goal under the Plan in each trade in which it has employees. The overall good faith performance by other Contractors or Subcontractors toward a goal in an approved Plan does not excuse any covered Contractor's or Subcontractor's failure to take good faith efforts to achieve the Plan goals and timetables.
4. The Contractor shall implement the specific affirmative action standards provided in paragraphs 7 a through p of these specifications. The goals set forth in the solicitation from which this contract resulted are expressed as percentages of the total hours of employment and training of minority and female utilization the Contractor should reasonably be able to achieve in each construction trade in which it has employees in the covered area. Covered Construction contractors performing construction work in geographical areas where they do not have a Federal or federally assisted construction contract shall apply the minority and female goals established for the geographical area where the work is being performed. Goals are published periodically in the Federal Register in notice form, and such notices may be obtained from any Office of Federal Contract Compliance Programs or from Federal procurement contracting officers. The contractor is expected to make substantially uniform progress toward meeting its goals in each craft during the period specified.

5. Neither the provisions of any collective bargaining agreement, nor the failure by a union with whom the Contractor has a collective bargaining agreement, to refer either minorities or women shall excuse the Contractor’s obligations under these specifications, Executive Order 11246, or the regulations promulgated pursuant thereto.

6. In order for the nonworking training hours of apprentices and trainees to be counted in meeting the goals, apprentices and trainees must be employed by the Contractor during the training period, and the Contractor must have made a commitment to employ the apprentices and trainees at the completion of their training, subject to the availability of employment opportunities. Trainees must be trained pursuant to training programs approved by the U.S. Department of Labor.

7. The Contractor shall take specific affirmative actions to ensure equal employment opportunity. The evaluation of the Contractor’s compliance with these specifications shall be based upon its effort to achieve maximum results from its actions. The Contractor shall document these efforts fully, and shall implement affirmative action steps at least as extensive as the following:

a. Ensure and maintain a working environment free of harassment, intimidation, and coercion at all sites, and in all facilities at which the Contractor’s employees are assigned to work. The Contractor, where possible, will assign two or more women to each construction project. The contractor shall specifically ensure that all foremen, superintendents, and other on-site supervisory personnel are aware of and carry out the Contractor’s obligations to maintain such a working environment, with specific attention to minority or female individuals working at such sites or in such facilities.
b. Establish and maintain a current list of minority and female recruitment sources, provide written notification to minority and female recruitment sources and to community organizations when the Contractor or its unions have employment opportunities available, and maintain a record of the organization's responses.

c. Maintain a current file of the names, addresses and telephone numbers of each minority and female off-the-street applicant and minority and female referral from a union, a recruitment source or such individual. If such individual was sent to the union hiring hall for referral and was not referred back to the Contractor by the union or, if referred, not employed by the Contractor, this shall be documented in the file with the reason therefore, along with whatever additional actions the Contractor may have taken.

d. Provide immediate written notification to the Director when the union or unions with which the Contractor has a collective bargaining agreement has not referred to the Contractor a minority person or woman sent by the Contractor, or when the Contractor has other information that the union referral process had impeded the Contractor's efforts to meet its obligations.

e. Develop on-the-job training opportunities and/or participate in training programs for the area which expressly include minorities and women, including upgrading programs and apprenticeship and trainee programs relevant to the Contractor's employment needs, especially those programs funded or approved by the Department of Labor. The Contractor shall provide notice of these programs to the sources compiled under 7b above.

f. Disseminate the Contractor's EEO policy by providing notice of the policy to unions and training programs and requesting their cooperation in assisting the Contractor in meeting its EEO obligations; by including it in any policy manual and collective bargaining agreement; by publicizing it in the company newspaper, annual report, etc.; specific review of the policy with all management personnel and with all minority and female employees at least once a year; and by posting the company EEO policy on bulletin boards accessible to all employees at each location where construction work is performed.

g. Review, at least annually, the company's EEO policy and affirmative action obligations under these specifications with all employees having any responsibility for hiring, assignment, layoff, termination, or their employment decisions, including specific review of these items with on-site supervisory personnel such as Superintendents, General Foreman, etc., prior to the initiation of construction work at any job site. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed, and disposition of the subject matter.
h. Disseminate the Contractor's EEO policy externally by including it in any advertising in the news media, specifically including minority and female news media, and providing written notification to and discussing the Contractor's EEO policy with other Contractors and Subcontractors with whom the Contractor does or anticipates doing business.

i. Direct its recruitment efforts, both oral and written, to minority, female, and community organizations, to schools with minority and female students and to minority and female recruitment and training organizations serving the Contractor's recruitment area and employment needs. Not later than one month prior to the date for the acceptance of the applications for apprenticeship or other training by any recruitment sources, the Contractor shall send written notification to organizations, such as the above, describing the openings, screening procedures, and tests to be used in the selection process.

j. Encourage present minority and female employees to recruit other minority persons and women and, where reasonable, provide after school, summer and vacation employment to minority and female youth both on the site and in other areas of a Contractor's workforce.

k. Validate all tests and other selection requirements where there is an obligation to do so under 41 CFR Part 60-3.

l. Conduct, at least annually, an inventory and evaluation at least of all minority and female personnel for promotional opportunities and encourage these employees to seek or to prepare for, through appropriate training, etc., such opportunities.

m. Ensure that seniority practices, job classification, work assignments, and other personnel practices, do not have a discriminatory effect by continually monitoring all personnel and employment related activities to ensure that the EEO policy and the Contractor's obligations under these specifications are being carried out.

n. Ensure that all facilities and company activities are nonsegregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure privacy between the sexes.

o. Document and maintain a record of all solicitations of offers for subcontracts from minority and female construction contractors and suppliers, including circulation of solicitations to minority and female contractor associations and other business associations.

p. Conduct a review, at least annually, of all supervisors adherence to and performance under the Contractor’s EEO policies and affirmative action obligations.
8. Contractors are encouraged to participate in voluntary associations which assist in fulfilling one or more of the affirmative action obligations (7a through p). The efforts of a contractor association, joint contractor-union, contractor-community, or other similar group of which the Contractor is a member and participant, may be asserted as fulfilling any one or more of its obligations under 7a through p of these Specifications provided that the Contractor actively participates in the group, makes every effort to assure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the program are reflected in the Contractor’s minority and female workforce participation, makes a good faith effort to meet its individual goals and timetables, and can provide access to documentation which demonstrates the effectiveness of action taken on behalf of the Contractor. The obligation to comply, however, is the Contractor’s failure of such a group to fulfill an obligation shall not be a defense for the Contractor noncompliance.

9. A single goal for minorities and a separate single goal for women have been established. The Contractor, however, is required to provide equal employment opportunity and to take affirmative action for all minority groups, both male and female, and all women, both minority and non-minority. Consequently, the Contractor may be in violation of the Executive Order if a particular group is employed in a substantially disparate manner (for example, even though the Contractor has achieved its goals for women generally, the Contractor may be in violation of the Executive Order if a specific minority group of women is underutilized).

10. The Contractor shall not use the goals and timetables of affirmative action standards to discriminate against any person because of race, color, religion, sex, or national origin.

11. The Contractor shall not enter into any Subcontract with any person or firm debarred from Government contracts pursuant to Executive Order 11246.

12. The Contractor shall carry out such sanctions and penalties for violation of these specifications and of the Equal Opportunity Clause, including suspension, termination, and cancellation of existing subcontracts as may be imposed or ordered pursuant to Executive Order 11246, amended, and its implementing regulations, by the Office of Federal Contract Compliance Programs. Any Contractor who fails to carry out such sanction and penalties shall be in violation of these Specifications and Executive Order 11246, as amended.
13. The Contractor, fulfilling its obligations under these Specifications, shall implement specific affirmative actions steps, at least as extensive as those standards prescribed in paragraph 7 of these Specifications, so as to achieve maximum results from its efforts to ensure equal employment opportunity. If the Contractor fails to comply with the requirements of the Executive Order, the implementing regulations or these specifications, the Director shall proceed in accordance with 41 CFR 60-4.8.

14. The Contractor shall designate a responsible official to monitor all employment related activity to ensure that the company EEO policy is being carried out, to submit reports relating to the provisions hereof as may be required by the Government and to keep records. Records shall at least include for each employee the name, address, telephone numbers, construction trade, union affiliation, if any, employee identification number when assigned, social security number, race, sex, status, (e.g., mechanic, apprentice, trainee, helper, or laborer), dates of changes in status, hours worked per week in the indicated trade, rate of pay, and locations at which the work was performed. Records shall be maintained in an easily understandable and retrievable form; however, to the degree that existing records satisfy this requirement, Contractors shall not be required to maintain separate records.

15. Nothing herein provided shall be construed as a limitation upon the application of other laws which establish different standards of compliance or upon the application of requirements for hiring of local or other area residents (e.g., those under the Public Works Employment Act of 1977 and the Community Development Block Grant Program).
A. The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.

C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

D. The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.

E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.

F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.
G. With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of section 3 and section 7(b) agree to comply with section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).
ARTICLE 9 – CONTRACT DOCUMENTS

9.01 Contents

A. The Contract Documents consist of the following:

1. This Agreement

2. MN150118 #0, effective 01/02/15, contains the federal prevailing wages that will be enforced. (attached as exhibit 9.01.A.3)

4. Performance bond (Document C-610)

5. Payment bond (Document C-615)

6. General Conditions (Document C-700)

7. Supplementary Conditions

9. Drawings consisting of 48 sheets with each sheet bearing the following general title: 2013 City

Project No. 1

10. Addenda

11. Exhibits to this Agreement (enumerated as follows):

   a. Contractor’s Bid
   b. Documentation submitted by Contractor prior to Notice of Award
   c. Certificates of Insurance

12. The following which may be delivered or issued on or after the Effective Date of the Agreement and are not attached hereto:

   a. Notice to Proceed (Document C-550)
   b. Work Change Directives
   c. Change Order(s) (Document C-941)

B. The documents listed in Paragraph 9.01.A are attached to this Agreement (except as expressly noted otherwise above).

C. There are no Contract Documents other than those listed above in this Article 9.

D. The Contract Documents may only be amended, modified, or supplemented as provided in Paragraph 3.04 of the General Conditions.

ARTICLE 10 – MISCELLANEOUS

10.01 Terms

A. Terms used in this Agreement will have the meanings stated in the General Conditions and the Supplementary Conditions.
Illustration 5

Contractor/Subcontractor Certification
Minnesota Small Cities Development Program

This form must be executed and submitted before work begins on the project. Payments will not be issued until contract compliance forms are fully completed and submitted to the labor standards officer assigned to this project. This form is to be completed by each General Contractor and Subcontractor. The General Contractor is responsible for submission of this completed form to the labor standards officer. Any changes in the information below during the project must be submitted to the labor standards officer assigned to this project. Additional forms are needed from any additional subcontractors employed after construction begins.

Project Name (To be completed by labor standards officer) _______Als’ Hardware________

Contractor Name and Address: __Joe's Glass, Roofing and More, 123 Smith, Smallville, MN________

Contractor Phone Number: __507-444-5555_________________________

Person(s) authorized to sign payroll reports: ______________________ General Contractor or Sub? ______ General

Identify all of the work classification(s) and corresponding base wage rates (from the wage decision for the project) that plan to be paid for work performed on this project. Please use back of form or additional pages to complete if necessary.

</tbody>
</table>

If Unskilled Laborers or Tenders will be used, please explain what specific tasks they will be performing:

Unskilled laborers will assist with hauling, materials to the point of installation as well as cleaning up the work site with brooms and shop vacs. No installation of roofing material or windows will be performed.

If apprentices or helpers will be used, please provide planned compensation rates along with certification of rates and program from the Minnesota Department of Labor and Industry or the Federal Department of Labor.
SPECIALTY AND GENERAL CLASSIFICATIONS

Additional classification requests/conformances are often requested for the following specialty classifications. These specialty classifications should not be approved if the duties are performed on similar construction in the area by general classifications that are listed on the contract wage determination.

Request for Additional Classification and Rate
Minnesota Small Cities Development Program

Please complete this form, along with Illustrations 8.2 and 8.3, if applicable. Submit to DEED by following the instructions on the bottom of this form. Pending DEED approval, the request will be forwarded to the Department of Labor for final approval. Expect approximately a month before we receive an answer from the DOL. Please include any supporting data, such as a corresponding evidence of state rates from the Minnesota Department of Labor and Industry.

Date: 03/23/09
Grant Number: CDAP-08-1234-O-FY09

DEED Labor Standards Number: 1243
Wage Decision Enforced: MN08-18#0
Effective Date of Decision: 02/08/08

Proposed Classification(s):
Roofing

Hourly Base Rate: $28.50
Fringe Rate (Proposed): $3.50

Brief description(s) of work provided by the Classification(s) as well as non-hand tools used: For example:
Roofing - remove old roof material and install new roof material using air nailers.

Roofing - Repair cracks in roof with hand tools. Operate equipment to heat weld rubber roof.

Name and Address of Contractor or Subcontractor: Joe's Glass, Roofing and More

Please select one of the following:

☐ The employees, General Contractor, and Subcontractor (if applicable) agree on the proposed Classification and rates. Corresponding signatures attached in Illustration 8.1.

☐ The General Contractor, Subcontractor (if applicable), and the authorized union representative agree on the proposed Classification and rates. Corresponding signatures attached in Illustration 8.2.

☒ The interested parties cannot agree on wage rates that correspond with the proposed Classification. A determination by the Department of Labor is therefore requested.

Grant Administrator's Signature: 

DEED Labor Officer’s Signature:

Items to be Discussed at Preconstruction Conferences

- The Prime or General Contractor is responsible to ensure that subcontractors are not debarred from federal projects. Payments will be withheld if debarred contractors are used.

- Davis-Bacon and Related Acts apply to all subcontractors, regardless of dollar amount of contract.

- All contractors (including subs) need to complete the Contractor/Subcontractor Certification. Payment may be withheld until a usable form is submitted.

- Ensure that all contractors and subcontractors are completely clear about which wage decision is being enforced for the project.

- Are job classifications that are planned for use included in the enforced wage decision? If not, is an additional classification to DEED needed?

- Will any apprentices be used? If so, insist on proper paperwork. Only the state or federal departments of labor can define an apprentice. Any “apprentice” that is employed without correct paperwork will be paid the prevailing rate for their corresponding Classification.

- All workers will be paid dependent on the work they are doing. For instance, anyone engaged in Pipelayer-orientated work will be paid the Pipelayer rates. **The full rates will be paid regardless of how skilled or experienced the worker is in their respective Classification.**

- All workers on job site will be paid at base rates and fringe benefits that meet or exceed those in the enforced wage decision. If no fringes paid, the base rate will meet or exceed the base rate plus the fringe rate listed on the wage decision. Workers will be interviewed to ensure compliance.

- For projects over $100,000, all workers will be paid overtime at time and a half the base rate that is actually paid.

- Contractors cannot ask employees to pay back any wages to the contractor. (or, no kick backs). Workers will be interviewed about this subject.

- The enforced wage decision and “Notice to All Employees” will be posted at the job site where workers can see them. This will be monitored.
• If split Classifications are used, employee - signed timecards are necessary to document the time. If no time cards have been secured, administrators will enforce the highest rate. (Most applicable to public facilities or large rental projects)

• All workers, including owner-operators, will need to be paid wages that meet or exceed the wage decision. Owner-operators will be assigned an appropriate Classification from the wage decision. Terms such as “Owner,” “Co-owner” or “Sole Proprietor” are not acceptable. (Generally a commercial rehabilitation issue) Owner – operators do not need to complete the withholding section of the payroll reports. The phrase “self-employed” should be written into that section in such a case.

• Foreman is not considered an acceptable Classification if the subject performs construction tasks for more than 20% of their time.

• Generally, Davis-Bacon and Related Acts do not apply to truck drivers delivering materials to the job site, unless the materials come from a site owned or dedicated to the contractor. (Generally a public facilities issue) Truck drivers are not excluded from state prevailing wage is state funds are part of the project.

• All payrolls must be signed by an authorized agent of the contracting firm on the compliance page of payroll reports (WH348).

• Department of Labor Payroll forms (WH347) are highly recommended for use by contractors. Alternative forms will need to provide all information required on the DOL payroll and must be accompanied by a signed compliance page (WH348, see above).

• Payrolls must be provided to the administrator in a timely fashion (within 10 days of the end of the payroll period. Contractors may not be paid if compliant payrolls are not submitted.

• Payrolls will be submitted and numbered in sequential order. No work weeks should be documented. Workers must be paid weekly. Payrolls should be for time and overtime on the project only and not include other work. At least the first payroll will list the last 4 digits of the social security number.

• General or prime contractors are responsible for underpayments of subcontractors.

• Fringe benefits need to be paid to employee paid plans, or be paid in cash. This will be documented on payroll reports.

Sample when cash is used instead of fringe.
Pat,

The fringe benefit rate on the applicable wage decision is what is required for CWHSSA.

**H. Fringe benefits.** Fringe benefits may include:
1. Sick, vacation or holiday pay;
2. Costs to defray expenses of apprenticeship or similar programs;
3. Medical or hospital care;
4. Supplemental unemployment benefits;
5. Life insurance;
6. Pensions on retirement or death;
7. Compensation for injuries or illness resulting from occupational activity;
8. Other bona fide fringe benefits; or
9. Insurance to provide any of the above.

In addition, fringe benefits may reflect the rate of costs to the employer that may be reasonably anticipated in providing bona fide fringe benefits pursuant to an enforceable commitment to carry out a financially responsible program. Fringe benefits *do not* include employer contributions or payments required by other Federal, State or local law, such as FICA, workers’ compensation, or unemployment compensation.

Notice of Contract Award
Minnesota Small Cities Development Program

This form must be completed and submitted to the SCDP Representative for the project as soon as all of the information requested on the form is known. This is necessary for federal compliance.

Grant #: CDAP-13-1234-o-FY14 Grantee: City of Frostbite Falls

Project Name and Address (Do not insert an address if public facility): Al's Hardware,
Bass Street, Frostbite Falls, MN

County where this project will be: Dudley

Project Description: SCDP=Roof and Foundation Match= Interior carpentry work

Wage decision and modification used in contract: Mn15-18#1
Effective date of wage decision used in contract (mm/dd/yy): 3/27/2015
(Please consult SCDP staff if not sure of correct decision to be in specs and contract)

Bid Opening Date (mm/dd/yy): 4/29/2015 Contract Award Date (mm/dd/yy): 4/30/2015
Pre-Construction Conference Date (mm/dd/yy): 5/8/2015
If no pre-construction conference, attach a short explanation of why:
General contractor name and address: Joe's Glass Roofing & More

Upon review of the Contractor/Subcontractor Certification(s), does the examination indicate that Requests for Additional Classification appear necessary at this point? Γ YES Γ NO
If yes, date when we can expect Request for Additional Classification (mm/dd/yy): 01/11/2015

Upon review of the Contractor/Subcontractor Certification(s), does the examination indicate that the wages that correspond with the listed work Classifications meet or exceed those in the correct wage decision? Γ YES Γ NO
If no, please attach an explanation of actions taken to ensure compliance.

Total (all sources of funds included) dollar amount (do not use cents) of contract: 40,239

My signature below confirms that this project meets a federal objective and that SCDP funds are only being used for eligible expenses (for commercial: exterior repairs, code compliance of building, energy, accessibility, and documented health and safety.) Furthermore, I attest that the project financing plan matches the the one approved in the full application to the SCDP, that the correct wage decision is being enforced, a screening process for conflicts has taken place, and that no debarred contractors are employed on the project.

Mary Administrator 5-8-15
(Signature of Project Administrator) (Date)

Please Provide the following only if the information is not known by SCDP staff
Project Administrator Name and Address: Mary Administrator, Smallville HRA,

RE: Labor Standards award number with instructions.  

Grant Number: CDAP-XX-XXXX-O-FYXX  
Grantee: City of XXX  
Labor Standards Number: # XXXX  
Project Name:  

Dear Grantee:  

Thank you for providing the Notice of Contract Award. The SCDP Labor Standards Number for this project is assigned above. Please begin using this assigned number when referencing the project with our office.

The attached instructions will outline procedures to ensure compliance. Please read all the instructions. To find out what steps are to be taken following the award notice, start at Step 9. More compliance information is available on the Labor Standards compliance section of our web site at http://mn.gov/deed/government/financial-assistance/community-funding/.
This checklist is a valuable resource to not only assist with keeping track of projects, but also for preparing for SCDP monitoring. The illustration numbers provided correspond with forms that can be provided separately by SCDP staff. If confused by anything on this checklist, please consult the 12 step instructions that can also be provided by SCDP staff.

EMPLOYEE RIGHTS
UNDER THE DAVIS-BACON ACT
FOR LABORERS AND MECHANICS
EMPLOYED ON FEDERAL OR FEDERALLY
ASSISTED CONSTRUCTION PROJECTS
THE UNITED STATES DEPARTMENT OF LABOR WAGE AND HOUR DIVISION

PREVAILING WAGES
You must be paid not less than the wage rate listed in the Davis-Bacon Wage Decision posted with this Notice for the work you perform.

OVERTIME
You must be paid not less than one and one-half times your basic rate of pay for all hours worked over 40 in a work week. There are few exceptions.

ENFORCEMENT
Contract payments can be withheld to ensure workers receive wages and overtime pay due, and liquidated damages may apply if overtime pay requirements are not met. Davis-Bacon contract clauses allow contract termination and debarment of contractors from future federal contracts for up to three years. A contractor who falsifies certified payroll records or induces wage kickbacks may be subject to civil or criminal prosecution, fines and/or imprisonment.

APPRENTICES
Apprentice rates apply only to apprentices properly registered under approved Federal or State apprenticeship programs.

PROPER PAY
If you do not receive proper pay, or require further information on the applicable wages, contact the Contracting Officer listed below:

Your contact information here.

or contact the U.S. Department of Labor’s Wage and Hour Division.

*Notes:*  
- No work on 04/15/09.
1. **Apprentices or trainees.** The first payroll on which any apprentice or trainee appears must be accompanied by a copy of that apprentice's or trainee's registration in a registered or approved program. A copy of the portions of the registered or approved program pertaining to the wage rates and ratios shall also accompany the first payroll on which the first apprentice or trainee appears.

2. **Split classifications.** For an employee that worked in a split classification, make a separate entry for each classification of work performed distributing the hours of work to each classification, accordingly, and reflecting the rate of pay and gross earnings for each classification. Deductions and net pay may be based upon the total gross amount earned for all classifications.

d. **Hours worked.** The payroll should show ONLY the regular and overtime hours worked on this project. Show both the daily and total weekly hours for each employee. If an employee performs work at job sites other than the project for which the payroll is prepared, those “other job” hours should not be reported on the payroll. In these cases, you should list the employee’s name, classification, hours for this project only, the rate of pay and gross earnings for this project, and the gross earned for all projects. Deductions and net pay may be based upon the employee’s total earnings (for all projects) for the week.

e. **Rate of pay.** Show the basic hourly rate of pay for each employee for this project. If the wage decision includes a fringe benefit and you do not participate in approved fringe benefit programs, add the fringe benefit rate to the basic hourly rate of pay. Also list the overtime rate if overtime hours were worked.

1. **Piece-work.** For any piece-work employees, the employer must compute an effective hourly rate for each employee each week based upon the employee's piece-work earnings for that week. To compute the effective hourly rate, divide the piece-work earnings by the total number of hours worked, including consideration for any overtime hours.

   The effective hourly rate must be reflected on the certified payroll and this hourly rate may be no less than the wage rate (including fringe benefits, if any) on the wage decision for the classification of work performed. It does not matter that the effective hourly rate changes from week-to-week, only that the rate is no less than the rate on the wage decision for the classification of work performed.

Remember, the overtime rate is computed at one and one-half times the basic rate of pay plus any fringe benefits. For example, if the wage decision requires $10/hour basic plus $5/hour fringe benefits, the overtime rate would be: ($10 \times 1 \frac{1}{2}) + 5 = 20/hour.

f. **Gross wages earned.** Show the gross amount of wages earned for work performed on this project. Note: For employees with work hours and earnings on other projects, you may show gross wages for this project over gross earnings all projects (for example, $425.40/$764.85) and base deductions and net pay on the "all projects" earnings.

While completion of Form WH-347 is optional, it is mandatory for covered contractors and subcontractors performing work on Federally financed or assisted construction contracts to respond to the information collection contained in 29 C.F.R. §§ 3.3, 5.3(a). The Copeslant Act (40 U.S.C. § 3149) requires contractors and subcontractors performing work on Federally financed or assisted construction contracts to "furnish weekly a statement with respect to the wages paid each employee during the preceding week." U.S. Department of Labor (DOL) regulations at 29 C.F.R. § 6.5(a)(3)(i) require contractors to submit weekly a copy of all payrolls to the Federal agency contracting for, or financing the construction project, accompanied by a signed "Statement of Compliance" indicating that the payrolls are correct and complete and that each laborer or mechanic has been paid not less than the proper Davis-Bacon prevailing wage rate for the work performed. DOL and Federal contracting agencies receiving this information review the information to determine that employers have received legally required wages and fringe benefits.  

Public Burden Statement  
We estimate that it will take an average of 55 minutes to complete this collection, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. If you have any comments regarding the current estimates or any other aspect of this collection, including suggestions for reducing this burden, send them to the Administrator, Wage and Hour Division, U.S. Department of Labor, Room S3502, 200 Constitution Avenue, N.W. Washington, D.C. 20210.

Washington, D.C. 20210
FURTHER GUIDANCE ON STATEMENT OF COMPLIANCE

To simplify matters for the SCDP:

Either 4(a) or 4(b) will always need to be checked.

Regardless of the instructions provided for 4(a), information on fringes will need to be provided.

Remember that the fringe information should not be new to you as an outline should already have been provided in the Contractor Profile.

Regardless of the instructions provided for 4(b), the only way where no fringe information needs to be provided through an attachment to the SOA is if 4(b) is checked and the payrolls indicate that the aggregate compensation for straight wages and fringes are being paid in cash. Example: Wage decision provides straight rate of $32 and a fringe of $8. The payroll indicates payment of $40 per hour.

If some of the crew is being paid in cash to meet this $40 threshold and some are being paid fringes in order to get to the aggregate of $40, 4(a) will be checked and the differences will be outlined in 4(c). For example – Joe Owner (Owner-Operator) is paid $40 in cash, but the rest of the employees are being paid as outlined in the fringe benefit outline.

See attached samples.
Sample

(b) WHERE FRINGE BENEFITS ARE PAID IN CASH

☐ – Each laborer or mechanic listed in the above referenced payroll has been paid, as indicated on the payroll, an amount not less than the sum of the applicable basic hourly wage rate plus the amount of the required fringe benefits as listed in the contract, except as noted in section 4(c) below.

This trade schedule supplement is attached to and a part of the 
Apprenticeship and Training Standards for the above identified 
occupation.

1. **TERM OF APPRENTICESHIP** (Section V)

   The term of apprenticeship shall be a period of not less 
than 8000 hours of reasonably continuous employment and 
training on the job, supplemented by the required hours of 
related technical instruction.

2. **RATIO OF APPRENTICES TO JOURNEYMEN** (Section IV)

   Apprentices may be employed in each shop, department, and/or 
job site at a ratio of one (1) apprentice for every one (1) 
journeyman regularly employed.

   The Sponsor shall assure that each apprentice is under the 
direct supervision of a competent and qualified journeyman at 
all times on the job, so as to ensure their safety and 
training in all phases of the trade.

3. **APPRENTICE WAGE SCHEDULE** (Section VIII)

   Apprentices shall be paid a progressively increasing schedule 
of wages based on a percentage of the current journeyman wage 
rate as follows:

<table>
<thead>
<tr>
<th>Period</th>
<th>Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>1st period (1000 hrs)</td>

Report of Wage Restitution Accomplished
Minnesota Small Cities Development Program

Please complete one form for each contractor required to pay restitution and submit to DEED. Submit additional forms if more space is needed. This form can be completed and totaled electronically.

Grant #  CDAP-13-1234-O-FY14  Grantee  City of Frostbite Falls

DEED Labor Standards Number:  1234

Check either overtime or straight time:  ☑ Overtime  ☑ Straight time

If both, please specify for each employee in table below:
For example:  Joe Hammer - S, Sally Hammer - O

General Contractor: Remember that the General needs to be informed of sub underpayments when underpayments are discovered.

Contractor or Subcontractor required to pay restitution:

---

Note: Restitution of $10 or less must be paid, but reporting is not required

<table>
<thead>
<tr>
<th>Name(s) of Worker(s)</th>
<th>Restitution Amount(s)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Joe Hammer (overtime)</td>
<td>$50.00</td>
</tr>
<tr>
<td>Fred Staple (overtime)</td>
<td>$22.00</td>
</tr>
<tr>
<td>Sally Hammer (straight time)</td>
<td>$80.00</td>
</tr>
</tbody>
</table>

Total number of workers:  2  $80.00  Total $ (straight)  $72.00  Total $ (overtime)

Have payrolls been corrected?  ✓ Yes  No
Is documentation of worker receipt in place?  ✓ Yes  No

Underpayment by contractor appeared to be willful:
If "Yes," please contact your DEED representative.

Joe Hamer                                      4-10-09

Disclosure Authorization

I authorize the HUD representative to disclose my name and the information I have submitted to the extent necessary to enforce my rights under the Acts administered by the U.S. Department of Housing and Urban Development.

Signature: Joe Hamer Date: 4-10-09

Public reporting burden for this collection of information is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining data needed, and completing and reviewing the collection of information. The information is considered sensitive and will not be released without your approval. Provision of this is voluntary. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid Office of Management and Budget (OMB) control number.

HUD and local agencies administering HUD-assisted programs must enforce Federal wage and reporting requirements on covered HUD-assisted construction and maintenance work. Enforcement activities include contacting laborers and mechanics and requesting information about their employment on covered projects.

Final Labor Standards Compliance Report
Minnesota Small Cities Development Program

Grant # CDAP-08-1234-O-FY09 Grantee City of Fosston Falls

DBID Log Number: 1243

Important

Please submit this form to the SCDP when each construction contract is completed. We prefer that you submit the form by e-mail with the form attached as a pdf file to patrick.armon@state.mn.us; Or mail or fax to Patrick Armon at DBID, 1st National Bank Building, 332 Minnesota Street, Suite E200, St. Paul, MN 55101. Fax number 651-296-5287.

Completion Date (mm/dd/yy): 04/10/09
Number of construction (face to face) wage interviews completed: 1
Number of HUD 4730 forms mailed: 1 Number of Responses 1
Number of trades reviewed through interviews, including mailed forms: 2
If no interviews were conducted or HUD 4730 forms were not mailed, explain why not in comments section: Date “Notice to All Employees” (WH 1321) and wage decision found posted on site: 03/25/09

If the answer to any of the following questions is "NO" please explain in comments

Are all payroll submissions complete and compliant? □ YES □ NO
Have all payrolls been reviewed? □ YES □ NO
Were wage interviews compared to payroll submissions? □ YES □ NO □ N/A
Have all known labor standards non-compliances been resolved? □ YES □ NO □ N/A
Have all known restitutions been received by employees? □ YES □ NO □ N/A
Have all known restitutions been reported to DBID? □ YES □ NO □ N/A
Were complaints forwarded to DBID staff? □ YES □ NO □ N/A
Were any volunteers used on this project? □ YES □ NO □ N/A

If so, please attach a list of how many volunteers worked on the project, a description and cost of their work, and how many hours each volunteer worked on the project.

Final Report Comments (if any):

Note: Please attach comments if more space is needed.
I certify to the best of my knowledge that all laborers and mechanics employed on this construction contract were paid in accordance with labor provisions, except as noted. There are no outstanding or unresolved labor standards underpayments, complaints, or disputes.
