

Minnesota Critical Businesses List

Last Updated: 9pm 3/27/20 updated 1114 and 5617 from YES to *. Changes highlighted in yellow.

This NAICS list is only **one of three resources used to determine eligibility** for critical sector work designation.

If an industry has a YES in the critical industry column, then work in that industry qualifies for the Critical Sector worker exemption and workers may leave home to go to work if they are not able to work from home.

If an industry has an * in the critical industry column, work in that industry may still qualify for Critical Worker exemption based on the text in the CISA Guidance at: https://www.cisa.gov/sites/default/files/publications/CISA_Guidance_on_the_Essential_Critical_Infrastructure_Workforce_508C_0.pdf or the Governor's Executive Order 20-20 at: <https://www.leg.state.mn.us/archive/execorders/20-20.pdf>. Please review those resources for more information.
