

## August 15, 2025. OFLC Releases Public Disclosure Data and Selected Program Statistics for Q3 of Fiscal Year 2025

The Office of Foreign Labor Certification (OFLC) has released a comprehensive set of public disclosure data (through the third quarter of fiscal year 2025) drawn from employer applications requesting prevailing wage determinations and labor certifications for the PERM, LCA (H-1B, H-1B1, E-3), H-2A, H-2B, CW-1, and Prevailing Wage programs.

**Please Note:** OFLC recently implemented the revised form ETA-9089. As a result, there will be two distinct PERM disclosure data files. These files will each have their own record layout documents.

The public disclosure files include all final determinations OFLC issued for these programs during the October 1, 2024 through June 30, 2025 reporting period of fiscal year 2025.

OFLC has also released selected program statistics for the first half of fiscal year 2025 for the PERM, LCA (H-1B, H-1B1, E-3), H-2A, H-2B, CW-1, and Prevailing Wage programs.
