Pursuant to 34 Code of Federal Regulations (CFR) 395.13;

The State licensing agency shall specify in writing and maintain procedures whereby such agency affords an opportunity for a full evidentiary hearing to each blind vendor (which procedures shall also apply to cases under §395.6(e)) dissatisfied with any State licensing agency action arising from the operation or administration of the vending facility program.

A copy of Minnesota Rule Chapter 3321, which outlines the aforementioned policies on evidentiary hearings and arbitration of vendor complaints, has been provided to me in my preferred method of communication.
