Lawrence Davis and Rose Davis, his wife,

hereinafter called grantors, do hereby convey and warrant to STANDARD OIL COMPANY, an Indiana corporation, its successors and assigns, hereinafter called grantee, the right to lay, maintain, inspect, operate, replace, change or remove a pipe line for the transportation of oil, gas, or the products thereof along a route to be selected by grantee, on, over and through the following described lands owned in fee by said grantors, situated in the County of Olmsted State of Minnesota and described as follows:

The N $\frac{1}{2}$ of the N $\frac{1}{2}$ of Section 27

Said grantee agrees to pay the consideration herein provided as follows:

The sum of Twenty five and no/100 Dollars (\$ 25.00), upon the execution hereof, receipt of which is hereby acknowledged.

The balance due under the terms hereof to be paid direct to grantors or any one of them or by depositing said sum to credit of said grantors, or any one of them, in the Stewartville National Bank of Stewartville, Minnesota after survey has been made and route of said line has been established, and before construction is commenced.

Grantors, upon the further consideration of One Dollar (\$1.00) in hand paid, receipt of which is hereby acknowledged, hereby convey and warrant to said grantee, the right to lay, maintain, operate, inspect, replace, change or remove any additional pipe line or lines alongside of any previously constructed line, for like use as herein above set forth, and for each additional line constructed hereunder, said grantee agrees to pay the further sum of \$ 1.00 per rod such payment to be made on or before the time of the commencement of the construction of said line or lines in like manner as herein provided for the payment of the consideration for the original pipe line easement.

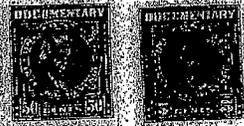

It is agreed that in the event said grantee fails to commence the survey of the route of said pipe line first above mentioned or commence construction of the same within twelve (12) months from the date hereof, all rights hereby granted shall cease and determine.

Any pipe line or lines constructed by said grantee hereunder shall, at the time of the construction thereof, be buried to such depth as will not interfere with the cultivation of the surface, the use of which, subject to the rights herein granted, is reserved to grantors.

Grantee agrees to pay any damages caused by grantee's operations hereunder to improvements now on said land, and to growing crops, pasturage, fence, and livestock of grantors on said land. PARTIAL RELEASE OF RIGHT OF WAY CONVEYANCE

KNOW ALL MEN BY THESE PRESENTS, that:

WHEREAS, Lawrence Davis and Rose Davis, his wife, did on the 20th day of June, 1946, grant unto Standard Oil Company, an Indiana corporation, its successors and assigns the right to lay, maintain, inspect, operate, replace, change or remove a pipeline for the transportation of oil, gas, or the products thereof, on, over and through the following described and situated in the County of Olmsted, State of Minnesota, to-wit:

The North Half (N 1/2) of the Northwest Quarter (NW 1/4) of Section 27, Township 105N, Range 14 West.

which Right of Way Conveyance was filed for record in the Office of Register of Deeds for Olmsted County, State of Minnesota, and recorded in Book P-1, page 215 as Document No. 171263.

WHEREAS, subsequent thereto, the said Standard Oil Company transferred and conveyed all of its right, title and interest in and to the above described land to The American Oil Company, a Maryland corporation, now known as Amoco Oil Company, its successors and assigns, hereinafter called "Amoco"; and

WHEREAS, Amoco is willing to limit and define its pipeline right of way across said land under conditions hereinafter provided and mutually agreed by Amoco and the current Owners.

NOW, THEREFORE, in consideration of the premises and mutual benefits to be derived therefrom, Amoco does hereby release and surrender unto the present Owners, their successors and assigns, all right, title and interest in and to the above described land which it acquired by said Right of Way Conveyance, dated June 20, 1946, hereinabove described, SAVE and EXCEPT the following described land situated in the County of Olmsted, State of Minnesota, to-wit:

A strip of land 50.0 feet in width in the North half of the Northwest Quarter of Section 27, Township 105N, Range 14W, (N 1/2, NW 1/4, Sec. 27, T 105N, R 14W), in Olmsted County, Minnesota, said strip being 25.0 feet on each side of the centerline of Amoco Oil Company's existing pipeline (with the side lines of said 50.0

foot strip being extended or shortened to terminate on the north and south property lines), said centerline being more particularly described as follows:

Commencing at the northwest corner of said Section 27, thence South 89 degrees 00 minutes 18 seconds East on an assumed bearing along the north line of said Section 27 a distance of 999.12 feet to the point of beginning of the centerline to be described; thence South 32 degrees 08 minutes 26 seconds East a distance of 1580.94 feet to a point on the south line of said North half of the Northwest Quarter of Section 27 distant 1853.86 feet east of the southwest corner of said North half of the Northwest Quarter of Section 27 as measured along said south line and there terminating.

SAVE and EXCEPT the right of ingress and egress across said land for the purpose of exercising the rights for which the last above described right of way strip is hereby reserved. All right, title and interest of every kind and nature is fully reserved to Amoco under said Right of Way Conveyance, dated June 20, 1946, except that which is specifically released hereunder.

Owners hereby confirm and ratify unto Amoco the 50.0 foot wide right of way as last above described.

It is mutually agreed that Owners may use and enjoy the surface of the right of way hereinabove reserved, provided, however, that such use and enjoyment shall not interfere with the use of said right of way by Amoco as set forth in said Right of Conveyance, dated June 20, 1946, and provided further that no buildings, engineering works, or other structures shall be constructed on, over or across said right of way. It is mutually agreed, however, that the no buildings, engineering works, or other structures restriction shall not prohibit the construction of public roads, driveways, fences and public utilities, hereinafter called "facilities", across said right of way but it shall prohibit the construction of such facilities longitudinally within said right of way. Amoco shall not be held liable to Owners for any damages caused to any such facilities constructed across said right of way in exercising its rights granted in said Right of Way Conveyance, and provided further that if in the judgment of Amoco the construction of such permitted facilities requires alteration, or lowering, or other protective measures on the pipeline, the entire cost of such alterations, or lowering, or other protective measures, shall be borne solely by Owners.

Owners further agree that Amoco shall have the right to maintain the right of way clear of trees, undergrowth, and brush to prevent damage or interference with the efficient operation and patrol of the pipeline.

The terms, conditions and provisions hereof shall extend to and be binding upon the parties hereto, their heirs, successors and assigns.
