# STATE OF MINNESOTA

## EMPLOYMENT AND ECONOMIC DEVELOPMENT

The Minnesota Department of Employment and Economic Development (DEED) is the state's principal economic development agency.

DEED programs promote business recruitment, expansion, and retention; international trade; workforce development; and community development.

## MINNESOTA EXHIBITORS

## Trade and Economic Development

The Minnesota Trade Office (MTO), an office within the Department of Employment and Economic Development, is the state agency that provides export assistance to Minnesota companies, attracts foreign direct investment, and serves as the Office of Protocol for Minnesota. The MTO delivers programs and services particularly focused on helping small and medium sized companies enter and compete in the international market.
