manually entered organization will now be listed in the Organization drop down for all future users to choose from.

****Please find and select your organization name from the auto populated list. All FCC filed Broadband Providers will be included in this list, only unfiled organizations will need to be manually entered. *This is critical to ensure challenges will be linked to your account and will be appropriately notified.***

- f. *Webpage (your organization's URL)
4. Select 'Request'
5. Request will be reviewed.
 - a. Once accepted, you will receive an email confirmation providing a link to complete the signup process and create a password. This link will only be valid for seven days, at which time it will expire, and a new request will need to be submitted.
 - b. Once the password has been set, the new user can view and use all functionality associated with their organization type.
