

Looking for an intern  
majoring in Science, Technology, Engineering or Math?

**Get 50% off your  
STEM intern's wages!**

# SciTech...perience™

- We recruit and pre-screen students
- Hundreds of talented, qualified applicants — and potential future employees
- Bring ideas and products to market faster
- **Receive a dollar for dollar matching stipend of 50% of the intern's wages (up to \$2,500)!**

## **Your Company is eligible if:**

- It's a for-profit company with a physical presence in Minnesota
- It's a small to mid-sized company (metro: 150 employees or less worldwide; Greater Minnesota: 250 employees or less worldwide)
- Your STEM internships provide hands-on industry experience
- It's in one of the following industries: Aerospace and Defense; Agriculture & Food Science; Biotechnology & Life Sciences; Engineering Services; Fuels & Energy; IT/Computer Technology; Mining, Materials, Manufacturing & Processing

## **SciTech...perience Students Are:**

- A Minnesota resident or attending college in Minnesota
- At least 18 years of age
- In good academic standing (2.5+ GPA)
- A college junior or senior (with 60 credits **completed**) or a technical or community college student (first year of degree completed)
- Enrolled in a STEM degree at an accredited U.S. college
- Legally eligible to work in the U.S.
