Responder Notes regarding service type and title descriptions above:

The State does not make regular payments based solely upon the passage of time; it only pays for services performed or work delivered after it is completed and approved by the State. Submit the Attachment F: Cost Proposal and additional pages, if applicable, as a separate document(s) from your Technical Proposal. Do not include any cost information in the Technical Proposal part of the response. The Proposal must be open for acceptance until a contract is executed, the Solicitation is cancelled, or 180 days after the initial due date and time of the Solicitation, whichever comes first. After the initial Solicitation period, the 180-day period will be effective from the date of Responder's submission.
