Re: WARN Act Notice Supplement

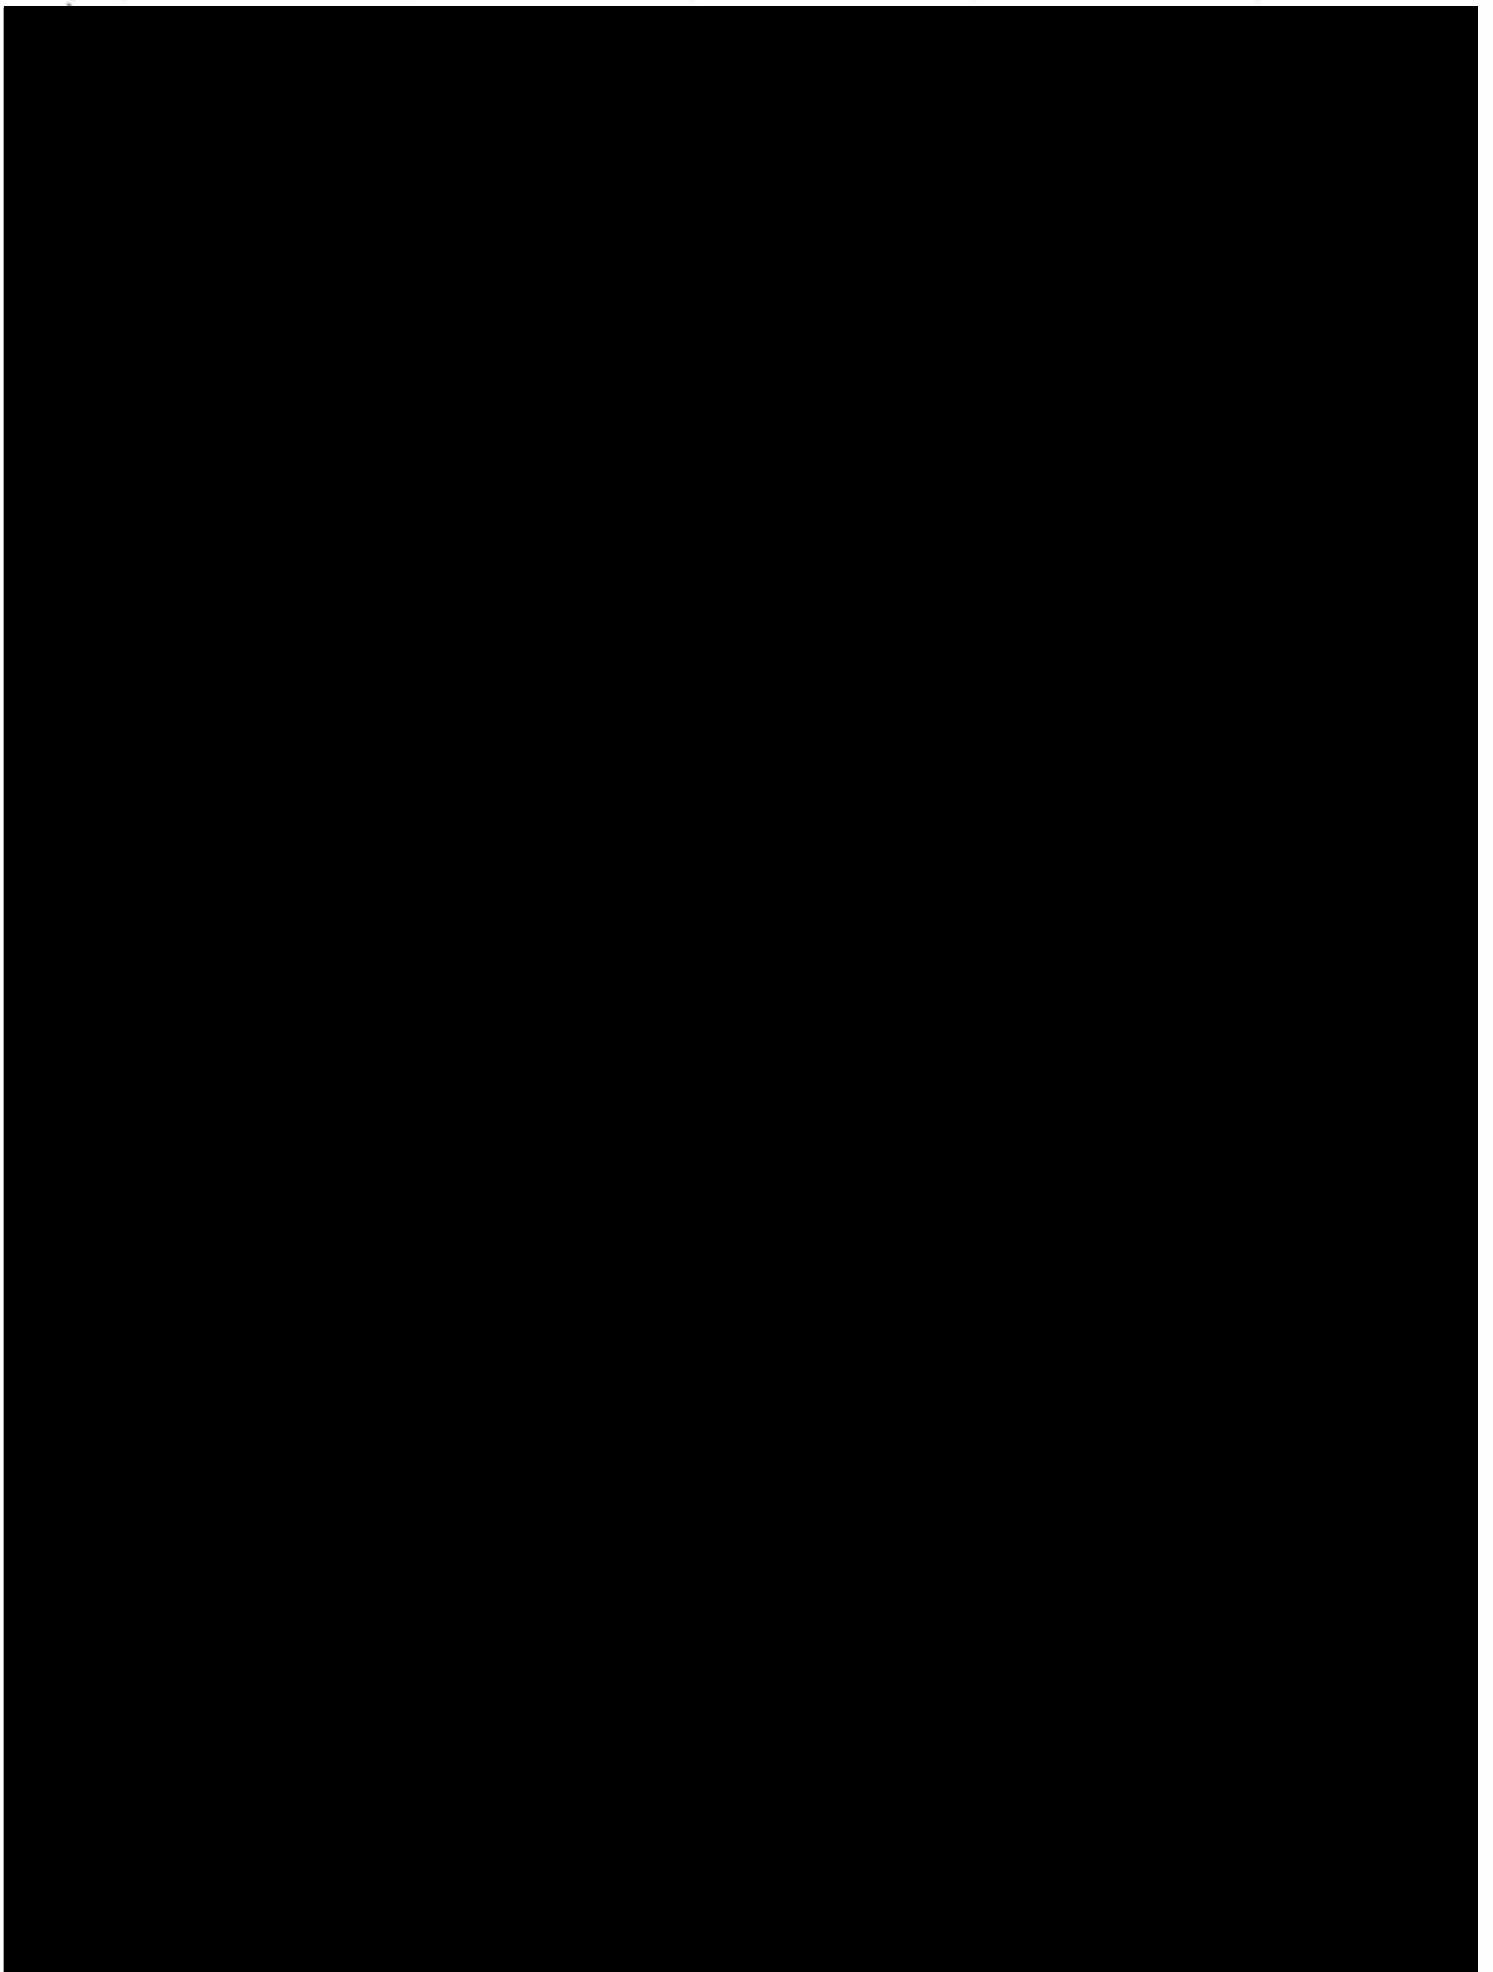

We wrote to you on December 18 and December 20, 2024, and on January 29, 2025, to advise you of a workforce reduction taking place at IV Media's Eden Prairie, Minnesota facility. At that time, we informed you that 121 employees would be separated from employment, and further updated you that an additional 7 employees would be laid off between April 1 and April 30, 2025, bringing the total number to 128. We now write to you to inform you that three employees have a new anticipated end date and therefore, we are extending three employees WARN notice end date to May 16, 2025. We have also provided an updated Exhibit A.

Once again, if you would like any additional information, please contact Tom Naylor at (952) 943-6649 during regular business hours.
