RE: Notice of Extension

Jason:

As you may know, Transaxle, LLC (the “Company”) previously issued Worker Adjustment and Retraining Notification (“WARN”) Act notices on May 16, 2025 covering its operations at 2501 Route 73 South, Cinnaminson, NJ regarding the planned winding down of the business. A copy of the Warn issued in May is included. The purpose of this extension is to inform you that the previously announced effective termination date of August 15 – August 29, 2025, for 2 employees has been extended. The extension is due to unforeseen delays in the winding down of the business, in which this employees are critical to complete. The new expected date for commencement of separations for these employees is 9/1-9/15. All other information contained in the original notice remains unchanged.

The employment losses are expected to be permanent and there will not be any bumping rights.

To the extent notice is required under the Worker Adjustment and Retraining Notification Act (“WARN”), 29 U.S.C. § 2101, *et seq.*, or any other laws, this letter shall constitute the best practicable notice under such laws given the above-referenced circumstances.
