4. Member Updates

1. Aaron Wittnebel shared that it would be great to have a future presentation on child protection, changes and performance requirements. Aaron w. stated that four different entities/groups are working on the childcare system for child protection or foster care, but also the need for mental health screening, for children. Aaron shared that someone could come from those different groups and present so that we would know more of what's being updated and to learn more about what's kind of bringing those groups together.

2. The four groups are the Supreme court council on child protection and child safety, a human services performance council or performance management at DHS and DCYF working on foster care requirements. Child protection, and the person for foster youth and a joint legislative committee working on child safety permanency and placement. Aaron did not believe the groups were working together currently. Aaron requested that in the future the Council and Subcommittee arrange for a presentation from Aaron suggested one presenter from a.) child protection b.) child placement, c.) child permanency, and the d.) the juvenile justice system.

Claudia Daml shared that the Council and Subcommittee would like to hear from members about different topics they feel like would be valuable for the, for the Council and Subcommittee to hear about.
