

## Appendix A-4: Quality Measures Template

1. If you currently participate in quality programs, please list measures reported for these programs. Please provide **measure title**, **measure steward organization**, and **the method of data submission**.

Quality Program	Measure Title	Measure Steward Organization	Method of Data Submission	Include in core measures?

2. If you monitor quality outside of measures required for programs in question 1, please list these measures in the table below. Please provide **measure title**, **measure steward organization**, and **the method of data submission**. When possible, please identify if the measure falls under one of the following categories: patient engagement, care coordination, social needs, and specialty measures.

Category	Measure Title	Measure Steward Organization	Method of Data Submission	Include in core measures?
