### Contract Negotiations and Unsuccessful Applicant Notice

If an Applicant(s) is selected, DHS will notify the successful Applicant(s) via email of their selection and DHS’ desire to enter into contract negotiations. Until DHS successfully completes negotiations with the selected Applicants(s), all submitted applications remain eligible for selection by DHS. Data created or maintained by the DHS as part of the evaluation process (except trade secret data as defined and classified in Minn. Stat. § 13.37) will be public data when contract negotiations have been successfully completed. If DHS determines that it is unlikely that an applicant will be selected for contract negotiations, DHS may, as a courtesy, notify the Applicant that it has not been selected for contract negotiations.

In the event contract negotiations are unsuccessful with the selected Applicant(s), the evaluation team may proceed with the next highest scorer.

After DHS and chosen Applicant(s) have successfully negotiated a contract, DHS will notify the unsuccessful Applicants in writing that their RFP Application has not been accepted. All public information within RFP Applications will then be available for Responders to review, upon request.

DHS may:
A. Reject any and all RFP applications received in response to this RFP;

B. Disqualify any Responder whose conduct or Application fails to conform to the requirements of this RFP;

C. Have unlimited rights to duplicate all materials submitted for purposes of RFP evaluation, and duplicate all public information in response to data requests regarding the Proposal;

D. Select for contract or for negotiations a Proposal which best represents “best value” as defined in Minnesota Statutes, section 16C.02, subdivision 4 and in this RFP document;

E. Consider a late modification of an Application if the Application itself was submitted on time and if the modifications were requested by DHS, and the modifications make the terms of the Application more favorable to DHS, and accept such Application as modified;

F. At its sole discretion, reserve the right to waive any non-material deviations from the requirements and procedures of this RFP;

G. Negotiate as to any aspect of the Application with any Responder and negotiate with more than one Responder at the same time, including asking for Responders’ “Best and Final” offers;

H. Extend the grant contract, in increments determined by DHS, not to exceed a total contract term of five years;

I. Cancel the RFP at any time and for any reason with no cost or penalty to DHS; and

J. DHS will not be liable for any errors in the RFP Application or other responses related to the RFP.
