Review of 245G

• We will review areas of the 245G proposed language that include changes and other areas where comments were received.

  • Purpose: To provide rationale behind the proposed language changes and to seek feedback

• At this point the language is still only a draft, we appreciate feedback already received

• Feel free to enter comments, solutions or feedback in the Q & A section and we will share as time allows at the end of this presentation

What’s missing?

What haven’t we addressed today that you feel we should have?

We will share feedback and respond to questions with the group today for as long as our time allows. Additional items not addressed today will be incorporated into the final 2018 Stakeholder engagement report.
• We appreciate all of you who have taken time to join us today and who have provided feedback. We need you and your feedback to assist in making Minnesota’s substance use disorder programs, services, and systems more efficient and effective.
