CHILD CARE ASSISTANCE PROGRAM

Monitoring Visit Summary

Provider information
Legal nonlicensed providers who care for unrelated children on child care assistance must have an annual monitoring visit. The monitoring visit helps ensure the provider complies with health and safety requirements. Agencies use the Child Care Assistance Program Legal Nonlicensed Provider Monitoring Checklist (DHS-7867) to determine compliance. Providers must meet all applicable standards to continue receiving child care assistance payments.

Corrective actions
For some indicators, providers may correct an issue on site or submit documentation after the visit. Did the provider need to perform a corrective action for any indicators?

☐ No  ☑ Yes

If yes, which indicator(s) was met through corrective action?

1. CATEGORY
   Administration of medication

INDICATOR
Caregiver ensures sun safety.

WHAT CORRECTIVE ACTION DID THE PROVIDER COMPLETE?
☐ Corrected on site  ☑ Submitted documentation

COMMENTS
Had document ready, however parent had been unable to sign it. Parent signed the form and a photo of the signed form was emailed to the agency.

Health and safety incidents
Have there been any substantiated reports of serious injuries or deaths of children with this provider? A serious injury is one which requires treatment by a physician. If a serious injury or death occurs as a result of substantiated maltreatment, the provider is no longer eligible to be a Child Care Assistance Program Provider.

☐ No  ☑ Yes
