6d.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. Minnesota Statutes 2018, section 245A.04, subdivision 9, is amended to read:

Subd. 9. Variances. (a) The commissioner may grant variances to rules that do not affect
the health or safety of persons in a licensed program if the following conditions are met:

(1) the variance must be requested by an applicant or license holder on a form and in a
manner prescribed by the commissioner;

(2) the request for a variance must include the reasons that the applicant or license holder
cannot comply with a requirement as stated in the rule and the alternative equivalent measures
that the applicant or license holder will follow to comply with the intent of the rule; and

(3) the request must state the period of time for which the variance is requested.

The commissioner may grant a permanent variance when conditions under which the
variance is requested do not affect the health or safety of persons being served by the licensed
program, nor compromise the qualifications of staff to provide services. The permanent
variance shall expire as soon as the conditions that warranted the variance are modified in
any way. Any applicant or license holder must inform the commissioner of any changes or
modifications that have occurred in the conditions that warranted the permanent variance. Failure to advise the commissioner shall result in revocation of the permanent variance and may be cause for other sanctions under sections 245A.06 and 245A.07.

The commissioner's decision to grant or deny a variance request is final and not subject to appeal under the provisions of chapter 14.

(b) The commissioner shall consider variances for child care center staff qualification requirements under Minnesota Rules, parts 9503.0032 and 9503.0033, that do not affect the health and safety of children served by the center. A variance request must be submitted to the commissioner in accordance with paragraph (a) and must include a plan for the staff person to gain additional experience, education, or training, as requested by the commissioner.

When reviewing a variance request under this section, the commissioner shall consider the staff person's level of professional development, including but not limited to steps completed on the Minnesota career lattice.

(c) Beginning October 1, 2020, counties shall use a uniform application form for variance requests by family child care license holders.

Sec. 2. Minnesota Statutes 2018, section 466.03, subdivision 6d, is amended to read:

Subd. 6d. Licensing of providers. A claim against a municipality based on the failure of a provider to meet the standards needed for a license to operate a day care facility under chapter 245A for children, unless the municipality had actual knowledge of a failure to meet licensing standards that resulted in a dangerous condition that foreseeably threatened the plaintiff. A municipality shall be immune from liability for a claim arising out of a provider's use of a swimming pool located at a family day care or group family day care home under section 245A.14, subdivision 10, unless the municipality had actual knowledge of a provider's failure to meet the licensing standards under section 245A.14, subdivision 10, paragraph (a), clauses (1) to (3), that resulted in a dangerous condition that foreseeably threatened the plaintiff. An officer or employee of a municipality shall be immune from liability for a claim based on the failure of a provider to meet the standards needed for a license to operate a day care facility under chapter 245A for children, unless the officer or employee is found guilty of malfeasance in office, willful neglect of duty, or bad faith.

Sec. 2.
Sec. 3. DIRECTION TO COMMISSIONER OF HUMAN SERVICES; UNIFORM FAMILY CHILD CARE VARIANCE APPLICATION FORM.

By October 1, 2020, the commissioner of human services shall, after consultation with county licensors, develop and issue to counties a uniform application form for counties to use for family child care variance requests, along with any necessary training or guidance.
