## Minnesota Substance Use Disorder Community of Practice Meeting Overview

---

The Substance Use Disorder (SUD) Community of Practice (CoP) consists of people who are engaged in the field of SUD treatment and prevention in any capacity including, but not limited to, people with lived experience, providers, family members, researchers, recovery peers, state agency and county health and human service representatives, health plan representatives and advocates. The group will issue reports and recommendations to the legislative chairs and ranking minorities of committees in both local and regional governments.

Objectives of this meeting include:

- Encourage interaction and engagement among participants
- Welcome additional perspectives and voices of experiences
- Introduce participants to the SUD Community Assessment tool to help evaluate subsets of the SUD continuum of care landscape
- Participate in small and large group discussions of how the tool can be used to help advance community efforts
