Name of Applicant's Organization:

<b>Outcomes</b> (What measurable changes do you expect to see resulting from one or more Key Activities/Strategies in your Work Plan?)	<b>Evaluation Plan</b> (How will you measure the changes resulting from your Key Activities? You can measure changes through data you already collect or through new data collection strategies.)	<b>Timeline</b> (When will you collect data and review your evaluation results?)
<i>Example: Through our new quarterly staff trainings on cultural sensitivity and cultural competence, we expect to see an improvement in staff confidence serving residents of different cultural backgrounds.</i>	<i>Example: We plan to develop a short survey for staff that participate in the training. We will fill out the survey prior to and after the training to see if staff report a change in their knowledge and understanding.</i>	<i>Example: We will conduct pre- and post-test surveys as a part of each quarterly training.</i>
