<input type="checkbox"/> Alternative Care (AC) <input type="checkbox"/> Elderly Waiver (EW) <input type="checkbox"/> Brain Injury (BI) <input checked="" type="checkbox"/> Community Access for Disability Inclusion (CADI) <input type="checkbox"/> Community Alternative Care (CAC) <input type="checkbox"/> Developmental Disabilities (DD)	Adult Foster Care

Reason for heightened scrutiny

Prong type	Category	Type of setting
Prong 3 Effects of Isolating Characteristics	Effect of Isolating Characteristic	Is one of multiple homes located on the same street or adjoining property that shares programming activities

Note: The term people/person (resident for residential settings) refers to people receiving Medicaid HCBS waiver services.

General summary

In the 2010 census, the population of Parkers Prairie was 1,011. Parkers Prairie is a rural community located in central Minnesota. Joseph House is located in a residential neighborhood of single family homes on the north side of the town. There are private homes across the street, a tree farm nearby and the main highway is close to the home. This setting is a single family home. Joseph House, Karl House, and Assumption House are located at the intersection of State St. and Clayborn Ave. Joseph is 384 feet from Assumption House and 341 feet from Karl House. There are three people served at this setting.

Foster Care/Supported Living service provider standards/qualifications

Licensure requirements and other state regulations for foster care services clearly distinguish these services/settings from institutional licensure or regulations.

- Child and Adult Foster Care (BI, CAC, CADI waivers) and Supported Living Service providers (DD waiver) must be licensed under [Minnesota Statutes 245D](https://www.revisor.mn.gov/statutes/cite/245D) (<https://www.revisor.mn.gov/statutes/cite/245D>).
- Adult Foster Care (Elderly Waiver and Alternative Care program) provider must meet the licensure requirements found in [Minnesota Rules, parts 9555.5050– 9555.6265](#)

(<https://www.revisor.mn.gov/rules/9555/>) and [Minnesota Statutes, section 245A](#) (<https://www.revisor.mn.gov/statutes/cite/245A>).

Foster Care and Supported Living service definitions that support the setting requirements

Adult and child foster care for people on BI, CAC and CADI waivers:

Adult foster care is ongoing residential care and supportive services and includes personal care assistant services, homemaker, chore, behavioral aide services, companion services, and medication oversight (to the extent permitted under State law) provided in a licensed home. Minnesota's Community Based Service Manual (CBSM) provides requirements for [Adult or child foster care](#) (http://www.dhs.state.mn.us/main/id_001786)

Supported Living services for people on the DD waiver:

Supported living services are "residential habilitation services" provided to participants who live in a supported living environment. Residential habilitation services consist of assistance with acquisition, retention, or improvement in skills related to activities of daily living, such as personal grooming and cleanliness, bed making and household chores, eating and the preparation of food, and the social and adaptive skills necessary to enable people to reside in a non-institutional setting. Minnesota's CBSM provides requirements for [Supported living services](#) (http://www.dhs.state.mn.us/main/id_048987#)

Adult foster care for people on the Elderly waiver/Alternative Care program:

Minnesota's CBSM provides requirements for [Adult foster care](#) (http://www.dhs.state.mn.us/main/id_056766#foster) for people on the Elderly waiver/Alternative Care program.

Prong 3 settings

Meaningful distinction between co-located HCBS Setting

States must submit strong evidence that the setting presumed institutional has the characteristics of a HCBS setting and not an institutional setting.

Determination	Summary
<input checked="" type="checkbox"/> Met <input type="checkbox"/> Unmet <input type="checkbox"/> Not applicable	<p>Describe the extent to which any shared programming (meals, transportation, social/recreational activities) occurs between different homes/buildings (how often, what type of programming or activities are shared) and how the provider assures interests and preferences are supported at an individual level (people are engaged in planning community activities based on their preferences, variety of transportation options, schedules are varied, reverse integration is not the sole form of “community integration”):</p> <p>Joseph House sometimes collaborates with colocated settings to attend larger events like overnight trips to North Dakota or trips down to the Twin Cities metro area. People can choose to stay back and participate in their own activities. Throughout the week there are opportunities for people to participate in individualized activities. People are asked their preferences and included in making decisions about what events and activities are available to them. Joseph House has its own schedule of events it follows.</p>
<input checked="" type="checkbox"/> Met <input type="checkbox"/> Unmet <input type="checkbox"/> Not applicable	<p>Describe the extent to which staff are scheduled to work with people at the other colocated setting (s) on the same shift:</p> <p>Staff are never scheduled to work at colocated settings on the same shift.</p>
<input checked="" type="checkbox"/> Met <input type="checkbox"/> Unmet <input type="checkbox"/> Not applicable	<p>Participants in the setting in question do not have to rely primarily on transportation or other services provided by the other co-located setting (s), to the exclusion of other options; (Describe the proximity to avenues of available public transportation or an explanation of how transportation is provided where public transportation is limited.)</p> <p>The setting has a vehicle available for getting people into the community. There are also other transportation options available to people including public tax/uber, community volunteer drivers through Productive alternatives, and family driving people. People have medical transportation available to them.</p>

Community engagement opportunities and experiences

Joseph Home supports community opportunities and experiences for people living in the home. They engage individuals to determine what types of activities they enjoy. Information about upcoming events is provided to people at the setting through conversations with staff, people looking-up activities and events online and sharing with staff, posted calendar and newsletters from the city and local businesses. People go out individually with staff and in groups of their choosing. Community activities include:

- Shopping
- Movies
- Out to eat
- Festivals
- Zoo
- Mall of America
- Trips to parks
- Picnics in community
- Trips to lakes
- Fireman's dance
- Cafes
- Coffee with police chief
- Exercise at wellness room
- Play pool
- Take cooking classes
- Bingo at the nursing home

While Joseph House provides opportunities to engage in the community with staffing support, people in this setting also go into the community on their own on a weekly basis. Some of the activities they participate in are:

- going out to eat
- going to the gym
- meeting friends for coffee or dinner
- going out of town to visit people
- biking to dollar store

HCBS characteristics

This section is a summary of the individual HCBS characteristics required in the HCBS rule. The findings for each characteristic are identified through the setting attestation documentation, on-site observation or both.

<p>The setting optimizes individual initiative, autonomy, and independence in making life choices, including daily schedule and with whom to interact.</p> <p><input checked="" type="checkbox"/> Compliant documentation submitted with attestation</p> <p><input type="checkbox"/> Observation made during on-site visit</p> <p>Documentation submitted with attestation. Staff reported at site visit that people go out on their own into the community at least weekly. People can opt out of group activities and choose to do something they prefer.</p>	Compliant

Pictures of the HCBS setting

Public comment summary

The Minnesota Department of Human Services (DHS) did not receive public comments for this setting.

DHS sought public comment from Aug. 5, 2019 to Sept. 4, 2019, before submitting settings to the Centers Medicare & Medicaid Services (CMS) for heightened scrutiny.

We sought public comments using the following methods:

- Evidentiary packages posted online on the [Home and Community Based Services Rule transition plan page](#)
- Evidentiary packages specific to each setting posted in a common area of the setting
- Notice of public comment period via [Aug. 5, 2019, eList announcement](#)
- Notification to lead agencies via regional resource specialists
- Notification to providers via email
- Notification to managed care organizations and Area Agencies on Aging (AA) via email
- Notification to long-term care ombudsman office via email
- Disability Hub MN virtual insight panel.

Minnesota's recommendation

Date of recommendation: 10/1/2019

Minnesota supports that this setting overcomes the institutional presumption and meets the requirements of a home and community-based setting. Provider is required to maintain on-going compliance with all HCBS requirements.
