Minnesota Sex Offender Program

Issue Date: 10/1/19  Effective Date: 11/5/19    Policy Number: 110-5300

A. Upon admission to the program, unit staff provide clients with written information about client rights and limitations to those rights. (See MSOP Division Policy 210-5100, “Admission to the MSOP.”)

B. A client resource coordinator (CRC) is assigned to each living unit as a resource to clients to address questions and concerns regarding client rights.

C. Staff providing direct care or having incidental contact with clients receive client rights training during new employee orientation and complete annual training on client rights. (See MSOP Division Policy 115-5400, “Employee Training and Development.”)

The CRC’s update these postings annually and as needed. Clients who need assistance to file a grievance may contact a CRC.
