Dear Ms. Beranek,

Thank you for your email and request for a hearing. Unfortunately, your request does not meet the one of the three requirements to be considered a valid request.

Under Minnesota Statutes, section 14.25, subdivision 1, and reflected in the Dual Notice of Intent to Adopt Rules on page 3 (attached here for your reference), a valid request must:

1. be in writing,
2. include the name and address of the person requesting the public hearing; and
3. include the portion or portions of the rule to which the person objects or a statement that the person opposes the entire rule.

Your request does not fulfill the third requirement. If you would like your hearing request to count as valid, please resubmit and let us know what portion or portions of the rule to which you object or include a statement that you oppose the entire rule. This will help to give the Department a sense of what is most concerning to the people who are requesting a hearing.

The deadline for submitting a valid request is December 31, 2020, at 4:30 p.m. If you have any questions, please let me know.

Thank you!
