

Interdisciplinary Care Teams: Perspectives from Providers

Moderator: Sue Kvendru, Minnesota Department of Human Services

Panelists:

Caryn McGeary, quality and patient safety coordinator, Affiliated Community Medical Centers

April Bourdage, care coordination program manager, Essentia Health

Sarah Keenan, president, Bluestone Physician Services

Ben Anderson, manager of care integration, Park Nicollet Methodist Hospital

Goal of the panel: Identify challenges MSHO/MSC+ care coordinators face when working with Interdisciplinary Care Teams (ICTs) and suggest tips and solutions that mitigate those challenges.

Use the space below to note some of the most important tips and solutions you can use in your practice with ICTs.
