Internship Program Admissions

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:

The MSOP Internship Program is best suited for students seeking experiences within a secure program providing sex offender treatment to civilly committed clients that will complement their previous training. Successful applicants will possess a solid foundation in psychological assessment and therapeutic intervention, will have completed or be in the process of completing a formal dissertation, and must have successfully defended the dissertation proposal prior to the internship start date. Doctoral students from Clinical and Counseling Psychology programs who have obtained approval from their faculty and are internship-eligible may apply. MSOP is an Affirmative Action and Equal Opportunity Employer.

Matched interns must meet two conditions for employment at the MSOP prior to the start of their internship. Employees must be able to pass a criminal background check and attest to their ability to meet basic physical fitness benchmarks. This position requires the incumbent to be able to perform various physical tasks to maintain safety of the employee and environment. Additional information regarding these requirements may be obtained by contacting the Chief Internship Training Director, Dr. Lauren Herbert, lauren.a.herbert@state.mn.us.
