Licensed Adult Day Centers: End of COVID-19 peacetime emergency

In spring 2020, the Commissioner of Human Services temporarily modified certain requirements for adult day centers in order to give providers more flexibility to operate in a pandemic and focus on critical health and safety measures. On June 30, the Minnesota Legislature voted to end the state peacetime emergency effective Thursday, July 1, 2021, at 11:59 p.m. This means that the temporary modifications listed below will be ending immediately.

Effective immediately on July 2, 2021

1. DHS recommends that providers continue to follow COVID-19 guidance from the Minnesota Department of Health (MDH) and the Centers for Disease Control and Prevention (CDC). This information may be helpful as you continue to educate and counsel participants on good health practices.

2. Providers are no longer required to maintain and update a COVID-19 preparedness plan, however, providers may find their plan to be a useful resource in the event someone tests positive for COVID-19.
