

Minnesota Sex Offender Program
Minnesota Department of Human Services
Property List

All incoming client property must be new and from a vendor except when receiving property upon initial admission to the MSOP.

Items of personal property are to be kept in the client's room and organized at all times. Clients are responsible for managing their property and any facility-affixed barcodes or tamper seals.

In the event of a room search, all items of personal property, as listed below, must fit into the state-provided storage bins. If durable goods are found without a barcode or having been intentionally tampered with or misused, the item is subject to a durable goods restriction as outlined in Section B, "Contraband" or in MSOP Policy 420-5250, "Client Property.

Clients may not borrow, sell, or trade hygiene items or consumables. Open consumables may be shared in a therapeutic and pro-social manner on the living units only so long as all clients are in tier level 3 or above.

Clients may not buy, sell, trade or be in possession of personal property previously owned by another client, except for [MSOP Division Policy 420-5400, "Donations"](#) or [MSOP Division Policy 220-5300, "Client Clothing Exchange,"](#) and media under the following circumstances:

1. Exchange of media can only occur on the living unit between clients on that living unit so long as all clients are in tier level 3 or above.
2. Only one item can be borrowed at a time.
3. Exception: media shared/loaned to Moose Lake clients participating in the hospice program (see [MSOP Division Policy 310-5226ML, "Helping Hands Volunteers"](#)).

For items requiring purchase from an approved vendor, see MSOP Policy 420-5250, "Client Property," for the definition of an approved vendor, and see also the policy attachment "Approved Vendor List," 420-5250k.

DURABLE GOODS INFORMATION

Durable goods must fit in storage bins, with the exception of:

- Television
- Blu-ray and/or DVD player
- Desk lamp
- Fan
- Typewriter/word processor
- Video game system
- Stereo
- Speakers
- Musical instrument
- Clock/clock radio
- Hotpot

Clients are allowed only one durable good of each type unless otherwise listed.

Client misuse of durable goods is processed according to MSOP Division Policy 420-5250, “Client Property.”

All durable goods are approved upon inspection and require tamper seals, unless otherwise specified.

Combination items, such as TV/DVD combinations, count as one of each item.

Battery-operated projecting lights, Bluetooth capability, Wi-Fi capability, and the ability to monitor or record vocals to an allowable media source (internal memory, CD, etc.) are all prohibited.

Functional digital media ports, USB ports, SD slots, and media card slots must be tamper-sealed. USB cords/cables are only allowed for plug and play video game systems power supplies.

Durable goods with dual purpose functions, or questionable items are inspected and approved on an individual basis by the AIW.

Hobby/Craft Property List

(Clients on the BTU may only have these by request.)

All hobby items/supplies must be purchased through a vendor or canteen. Hobby items requiring storage in the Recreation Department must receive pre-approval from the Recreation Department prior to ordering. Recreation Department-stored items not receiving pre-approval are placed on a Contraband Notice. Clients may not work on hobby craft items in their rooms if the items would not be allowed to be kept upon completion or would be required to be completed only in the Recreation Department (e.g. blankets, dolls, etc.). All projects required to be completed in Recreation must be sent out or routed to the AIW for approval to be kept in possession. All projects completed in client rooms must be brought to distribution for Special Services approval. Questionable items are routed to the AIW.
