INTRODUCTIONS
• Minnesota Statute 245F passed into legislation in 2015

• In July we received approval from CMS to add two levels of residential withdrawal management into our Medicaid benefit

• Currently working with systems, licensing and enrollment to support providers interested in providing the service
Steps to Providing Withdrawal Management

I. Apply for 245F license

II. Enroll with Provider Enrollment

III. Register with DAANES Detox/Withdrawal Management System

IV. Work with Managed Care Organizations to establish contracts

   Once actively licensed and enrolled to provide services, you can provide services.
